

William Brookes School

June 2019

Dear applicant

I am delighted you are considering joining William Brookes School and as Head I am proud to welcome you to our vibrant and successful school. We are the only Coubertin school in Great Britain and value highly our Olympian traditions. This is an exciting opportunity to make a significant difference to the life chances of our students. You will have an important role in building on our rapid improvement in recent years.

Our performance over the last year has shown good attainment and achievement. Our progress 8 score has steadily increased, being regularly positive, and the performance of our pupil premium students are rising. Our most able students achieved exceptionally well in 2018 and most ability groups make good progress, although our alternative curriculum limits the number of GCSEs and hence the P8 score of less able students. Governors are committed to the curriculum matching our student profile and hence around 50% take the English baccalaureate every year as well as modifications to suit less able students.

Please explore our website and read through the additional materials included in this pack to find out more about us. The Job Description & Person Specification give you an indication of the scale and ambition we have for this post. If you have the determination to inspire excellence in the young people you teach, I would be delighted to receive your application and you are most welcome to arrange an informal visit to the school and to meet with me.

In your application, please include a description of what three elements you think make the basis for outstanding lessons.

Yours sincerely

Geoff Renwick
Head
