## **Brighton College Dubai wishes to recruit a Teacher of Early Years**

### **Introduction**

We are currently seeking to appoint experienced, well-qualified, and inspirational teachers to join us for Brighton College Dubai in 2020 academic year. Staff will be given many opportunities to contribute to the life of the School both in and out of the classroom. It is expected that all colleagues will support one another in what will be an immensely exciting but also at times challenging project in establishing Brighton College Dubai as a true leader in the city of Dubai. It is expected that this will be achieved through the collective efforts of an exceptional and hardworking team with the united goal of ensuring that every child reaches their potential both academically and socially, by pushing boundaries and broadening horizons.

Brighton College Dubai benefits from a strong partnership with Brighton College, the UK's top co-educational school, and with Brighton College Abu Dhabi, Brighton College Al Ain and Brighton College Bangkok. The Brighton family of schools currently educates more than 4,000 pupils. Our position as a member of a group of leading academic schools, creates opportunities for professional development and career progression which are seldom, if ever, matched.

Packages are competitive, with a good salary and comprehensive benefits. With a range of support for Continuing Professional Development.

### **The College**

Brighton College, the UK's top co-educational school, opened its fourth sister school in Dubai in September 2018, following in the footsteps of Brighton College Abu Dhabi (2011), Brighton College Al Ain (2013) and Brighton College Bangkok (2016).

Brighton College Dubai is comprised of a Preparatory School (for pupils aged 3 to 11) and a Senior School (11-18) and is to be a leading Independent-style British International School located in the United Arab Emirates. With a prime location, it will educate 1,400 pupils across the 3 to 18 age range on a striking new campus in the centre of Dubai, one of the world's most innovative and exciting cities. It offers its pupils a world-class British education in a co-educational setting, leading to IGCSE and A-level studies, and entry to the world's leading universities.

A key component of Brighton's internationalisation is the importance it places upon ensuring that its sister schools are authentically interpreting its values and ethos. Each school combines academic excellence with a wealth of extra-curricular opportunities, all underpinned by a deep commitment to the individual needs and enthusiasms of every child, and each values the importance of the individual: every boy and girl in the Brighton family of schools is valued for his or her own sake and encouraged to develop his or her talents to the full, in a community where there are no stereotypes and where every achievement, however small, is noticed.

Brighton's success is built upon recruiting genuinely inspirational teachers who can enthuse about their subject and will help to create an exciting and vibrant intellectual environment in which children can explore their interests, develop their existing talents and acquire new ones.

In 2020 Brighton College Dubai will have classes from Foundations Stage 1 through to Year 11. It is expected that in a relatively short period of time the school will operate a full IGCSE and A Level programme aiming to be the leading British international school in the Emirate of Dubai with heavily oversubscribed applications for entry.

The School works closely with the local education regulator KHDA (Knowledge and Human Development Agency) to ensure that not only are all regulator and accreditation requirements fulfilled but will act as an example of best practice to be shared in many areas of teaching and pupil experience.
