**A unique opportunity to join a passionate team of staff in a new and growing Academy.**

Oasis Academy Leesbrook is seeking to appoint a dedicated, passionate and driven Teacher of Mathematics. This is an exciting opportunity to develop a provision in a new academy that is a part of the Oasis family. The Academy opened in September 2018 in temporary accommodation (a state of the art, purpose built property on Middleton Road) and will relocate to our permanent home in September 2020, located just off Lees Road.

The Teacher of Mathematics will work with a small and growing team of staff, ensuring that students receive an excellent educational experience in Mathematics, right from the start. The ideal candidate will be dynamic, flexible and committed to ensuring that this school provides the very best opportunities for every single student. This role is essential in the development of the school as it grows in size, year on year, to eventually house 1500 students.

The successful applicant will be able to demonstrate:

- Excellent classroom practice with secure evidence of good and outstanding teaching
- Strong subject knowledge and a passion to inspire students to engage
- Unquestionable commitment to the Academy and to Oasis values
- The ability to be flexible as the schools grows and develops
- Relentless energy and personal drive
- Aspirations to further their career

We are therefore looking for an outstanding practitioner with drive and commitment and an unrelenting focus on the progress of all of the students in the Academy. In return you

will benefit professionally from the wealth of expertise and experience of our family of Academies, along with a range of support services based at Oasis National Office.

If you would like to discuss this role further, please do not hesitate to contact the Principal's PA, Hannah Murphy:
