

Caddington
VILLAGE SCHOOL
A school at the heart of the community

Slip End
VILLAGE SCHOOL
Learning and growing together

April 2021

Dear Applicant,

Thank you for your interest in this position which has become available following the retirement of the current highly successful Executive Headteacher.

Our Federation was formed in 2014 and consists of Caddington Village School and Slip End Village School – both rated Good by Ofsted. Both schools are warm, friendly, and welcoming and provide exceptional learning environments. In both schools you will meet motivated children and committed staff and governors. Our children are happy and perform well in a caring and supportive environment.

The Governing Board invites the new Executive Headteacher to bring their experience, vision, enthusiasm and strategic thinking to build upon the good and improving outcomes and exceptional community relationships of both schools, in partnership with the Governors.

We encourage candidates to visit the schools and see the environments where our children thrive but as things are difficult at the moment this is likely to be at a time when the students are at home. In addition, or if it is more practical, I would be very happy to speak with you and would urge you to contact Caddington Village School office to arrange a call. Details on how to apply for the position can be found in this pack and should be via application form.

This is an exciting opportunity for a talented leader and strategic thinker who knows that the day to day running of the schools will be ably led by the Heads of School in order to focus on improvement, partnership and emerging challenges whilst upholding the schools' visions and values.

I look forward to hearing from you.

Yours sincerely,

John McGroary
Chair of Governors
