

CREATIVE FACULTY TECHNICIAN: JOB DESCRIPTION

Salary. In accordance with the school's support staff structure pay range: point 8 – 10

Line of responsibility

The technician will be directly responsible to the Head of Faculty

Job purpose

The technician is responsible for:

- Assisting in ensuring a safe, effective and efficient technical service is provided to support the creative faculties department and its curriculum.
- Providing technical advice and assistance in the classroom to support students and to assist teaching staff with the provision of learning activities.
- Ensuring that health and safety requirements and other relevant regulations are adhered to including the completion and recording of necessary checks and risk assessments.
- Contributing to the overall ethos, work and aims of the school.

Duties and responsibilities

Main duties and responsibilities are indicated below. Other duties of an appropriate level and nature may also be required, as directed by the Head of School and line manager.

Job specification

Operational

- S/he shall establish and maintain good relationships with all students, parents/carers, colleagues and other professionals.
- S/he shall assist her/his line manager in the promotion and observance of a healthy and safe working environment.
- S/he shall assist her/his line manager in ensuring the safe and effective operation and use of equipment, materials, resources and software.
- S/he shall assist her/his line manager and the heads of department with the carrying out of risk assessments including those on a variety of equipment and processes.
- S/he shall contribute to the development and organisation of facilities, equipment, tools and resources to support the teaching of the curriculum.
- S/he shall ensure that equipment is in good working order and that classrooms, preparation areas and storerooms are in a clean, secure, safe and orderly condition. This will include cleaning tasks as required.
- S/he shall prepare, distribute and then clear away equipment, solutions/solvents and materials as required within the creative faculty departments.

- S/he shall carry out both routine and non-routine checking, cleaning, maintenance, testing and repairing of equipment to the required standard.
- S/he shall liaise with suppliers/contractors when necessary and in relation to repairs, servicing and maintenance, new installations and disposals.
- S/he shall prepare classrooms for lessons, practical activities and demonstrations.
- S/he shall prepare equipment, materials and resources as required for use in classrooms and lessons.
- S/he shall research the availability of suitable equipment, materials and resources, and suggest alternatives for suitability, sustainability and economy to her/his line manager.
- S/he shall provide technical advice and support in the classroom, for example, with demonstrations, practical activities and resources.
- S/he shall, under the direction of her/his line manager, dispose of waste safely and deal with spillages and breakages in accordance with regulations.
- S/he shall assist in putting in place provision for practical school and public examinations.
- S/he shall put up and maintain appropriate classroom and corridor displays within the creative faculty departments and within the school.
- S/he shall provide technical assistance to students, either individually when they are carrying out activities, investigations or projects, or in-class assisting or advising students and staff on the practical aspects of the curriculum.
- S/he shall assist in stock control, compiling purchase orders, liaising with suppliers and maintaining appropriate records.

Administrative

- S/he shall undertake and ensure that all administrative duties, checks and documentation are completed to the required level of accuracy including photocopying, filing and collection of payments from students.
- S/he shall process, input and extract data held on the school's database systems as required.
- S/he shall maintain both manual and computerised record and filing systems in line with requirements.
- S/he shall assist in completing equipment and stock inventories as required.

General

- S/he shall attend school events as required, for example, open days.
- S/he shall invigilate school and public examinations and tests as required.
- S/he shall assist in escorting students on educational visits and participate in extra-curricular activities as required.

- S/he shall assist in ensuring that financial procedures and activities are carried out within the department as required, for example, placing purchase orders.
- S/he shall attend relevant meetings and training sessions as required.
- S/he shall participate in training sessions for staff to ensure that they are aware of associated procedures and regulations.
- S/he shall undertake first aid training and responsibilities as required.
- S/he shall keep abreast of developments, current initiatives and changes in her/his field and communicate to staff as appropriate.
