

Ipswich Academy

Lead Science Technician

Salary: Scale 5, Point 12 £21,589 to Point 17 £23,836 pro rata

37 hours per week (term time plus 2 weeks) - permanent position

A full-time Lead Science Technician is required at Ipswich Academy from September 2019.

Our energetic and forward thinking science faculty is looking for a lead technician with a passion for supporting good science in schools. Strong organisational and technical skills, with an awareness and working knowledge of health and safety best practice are all essential requirements of this post.

The Lead Science Technician will organise and execute the delivery and development of technical services in order to support the science curriculum in the academy for all students.

Candidates with a physics subject bias are particularly encouraged to apply. All applicants should have strong working experience supporting a department in biology, chemistry and physics.

A job description, person specification and an application form are attached and also available from our website www.paradigmtrust.org/careers

Completed applications should be returned by email to our HR team at hr@paradigmtrust.org

All applicants must have due regard for safeguarding and promoting the welfare of children and young people, and if successful will be required to comply with the Trust's safeguarding policies and procedures.

Closing date: Monday 15th July 2019 at 12pm

Interviews: 18 & 19 July 2019
