22/28 Moo 3 Chalong, Mueang Phuket, Phuket, 83130 Thailand

Tel: +66(0)99 192 3624 E-Mail: hr@risphuket.ac.th Website: www.risphuket.in.th

Job Title: Math Teacher

Department: Mathematics & Science Department

Location: Ruamrudee International School Phuket

Position Type: Full-time

Reports to: Head of Department

Job Summary:

The Math Teacher at Ruamrudee International School Phuket is responsible for delivering high-quality math education to elementary and middle school students. The teacher will create engaging, hands-on lessons to foster a deep understanding of mathematical concepts, assess student progress, and contribute to the development and continuous improvement of the math curriculum. The role requires creating an inclusive and positive learning environment, integrating technology to enhance lessons, and participating in professional development. Optional homeroom responsibilities include acting as the primary point of contact for students and parents, supporting students' social and emotional well-being, and collaborating with colleagues to ensure a cohesive school community.

Teaching Load:

- The Math Teacher will be assigned a maximum of **25 teaching blocks per week**.

Key Responsibilities:

- 1. Math Instruction:**
 - Develop and implement engaging and effective math lessons for elementary and middle school students.
 - Utilize a variety of teaching methods to accommodate different learning styles.
- 2. Curriculum Development:**
 - Contribute to the development and enhancement of the math curriculum.
 - Align lessons with curriculum standards and learning objectives.
- 3. Assessment:**
 - Design and administer assessments to evaluate students' understanding of mathematical concepts.
 - Provide constructive feedback to students and parents.
- 4. Classroom Management:**
 - Create a positive and inclusive learning environment.
 - Implement effective classroom management strategies.
- 5. Technology Integration:**
