

Teacher of Design & Technology

JOB DESCRIPTION

DEPARTMENT: Academic

JOB PURPOSE: To teach Design and Technology up to Level 3 (Sixth Form) to students of all age ranges and abilities.

RESPONSIBLE TO: Head of Creative Design Faculty and Deputy Head (Academic)

Specific responsibilities include the following, although this list is by no means exhaustive:

Duties and Responsibilities

Professional:

- Be a passionate D&T practitioner who is confident in Timbers/Resistant Materials but who would also welcome the opportunity to help develop and broaden the D&T curriculum at Milton Abbey.
- Have a dynamic and varied approach to teaching D&T at GCSE and Sixth Form level.
- Have the ability to instil confidence and self-esteem in students through the delivery of the D&T curriculum and D&T activities.
- Motivate and engage all students to achieve their personal academic potential.
- Show commitment to raising student achievement.
- Become fully involved in the work of the D&T Department, Creative Design Faculty and contribute to the life of a busy boarding school.
- Have the ability to use ICT in teaching, administration and the use of CAD/CAM in lessons.
- Plan, prepare and teach lessons to students assigned to him/her according to their educational needs.
- Mark work and feedback to students on a regular basis according to School policy.

General:

The successful candidate will...

- Have a relevant degree with an appropriate teaching qualification.
- Have experience delivering BTEC courses (desirable).
- Act as a tutor and carry out the duties associated with that role.
- Have an enthusiastic attitude towards developing the D&T Department.
- Have an awareness of current developments within Design and Technology education and health and safety.
- Have a good sense of humour.
