ACHIEVEMENT AND LAUGHTER ARE OUR TRADE MARKS

Elaine Rawlings - Head of Primary

The British School Al Khubairat (BSAK) is a 3 to 18 co-educational school, set in a stunning campus in the centre of Abu Dhabi. We are the most established British Curriculum school in Abu Dhabi, with a track record of nearly 50 years of academic excellence and exceptional achievement in sport, music, drama and the arts. With our outstanding facilities, experienced British teachers, unparalleled co-curricular activities and inclusive school culture, we provide our students with a proven platform upon which they can grow and be successful.

Children are central to all we do and our school is a way of life for our students.

They are nurtured and challenged through a diverse and stimulating curriculum and we look to foster confident and interested learners, developing them in all areas of school life.

However, it is not just our heritage and facilities that mark out our school; it is the atmosphere and happiness that runs through our community.

WELCOME TO OUR SCHOOL

Where amazing opportunity builds confidence and leadership.

Mark Leppard MBE Headmaster

Our school has been at the heart of the community in Abu Dhabi since it was founded in 1968, and built on land generously donated by the founding president of the United Arab Emirates, His Highness Sheikh Zayed bin Sultan Al Nahyan.

We are understandably very proud of our special historical importance and equally proud that we were established as a not-for-profit, non-selective school, with an ethos of inclusivity that supports each of our students. We set high standards and the hard work and dedication of our staff enables all of our students to achieve their goals. Please feel free to come and visit us, hear from our wonderful staff, students and wider community and talk to me about our shared vision for the school.

Mark Leppard MBE

Our students describe their school as bright, spacious and colourful.
