Westdale Junior School is looking to appoint a temporary class teacher for Year 5 plus, potentially some PPA duties in other year groups across the school, depending on the number of days taught. We are flexible about whether this is a full-time position, 0.8 or 0.6FTE – as long as the candidate has the passion for professional research and development that our team hold dear. First-time visitors to Westdale Junior School are always impressed with our children's excellent and welcoming behaviour and those that have spent any time here comment on the warm, friendly culture amongst our staff. This position offers a rare and exciting opportunity to join a committed and friendly team of professionals who expect to support and challenge each other to secure the very best for all of our children.

We are looking for a person who:

- truly believes in our school motto: "Work hard – Be kind" – for pupils and staff alike
- has a proven track record of, or the desire to develop, consistently excellent classroom practice
- can naturally and confidently engage children of all backgrounds in achieving academic excellence
- genuinely wants to work to improve their own practice and that of their colleagues
- loves education and the rewards of working with children

The teacher we appoint can expect to:

- be an equal member of a very forward-thinking staff team
- be supported through personalised coaching, opportunities for further study and the mentoring of undergraduate or postgraduate trainee teachers.
- teach outgoing, polite and motivated children
- be trained to be part of our exciting Innovative Learning Partnership where all teachers and children have 1-2-1 ipad devices to support learning and teaching
- work for a Trust that truly values wellbeing and is committed to managing workflow.

Visits to our school are encouraged and warmly welcomed by appointment.

Applications close at **9am on Friday 9th January 2026.**
