

Person specification

The essential attributes required for a teacher are:

- appropriate qualifications in your teaching area
- successful experience in KS1 or KS2 as a teacher
- the ability to perform effectively the duties outlined in the job description and to meet required standards for the role
- a commitment to the protection and safeguarding of children
- the ability to work well with a wide range of people and be supportive within a team
- the ability to work flexibly and contribute to the smooth running of the school
- respect and value for the different experiences, ideas and backgrounds others can bring to the school
- to work well under pressure, meet deadlines and manage time effectively
- to be willing to work within and contribute to school policies and procedures
- to accept the need for continuing development and training, particularly in ensuring up-to-date training is undertaken in matters relating to safeguarding children and safety
- to follow the school ethos
