SCHOOL DETAILS

Abbot Beyne School is an 11 - 18 Comprehensive School with approximately 690 students on roll, situated to the south of Burton upon Trent. The school is very fortunate in its location with grounds of 19 hectares over-looking the River Trent, with fine views of the Staffordshire countryside and the Derbyshire hills. The school is split site with Years 7 - 9 predominantly based on the Evershed site and Years 11 - 13 based on the Linnell site.

The School is truly comprehensive with an intake that includes a varied mix of students from different areas within the town, and beyond into South Derbyshire. Approximately a fifth of our students come from Ethnic Minority Communities. The school welcomes and celebrates its diversity. In addition 31% of our students are classed as 'Pupil Premium'.

This year we achieved another set of excellent GCSE results.

We have reorganised our school into five Faculties to engender better sharing of good practice and support. These are Communications, STEM, Social Studies, Performance and SEN/Inclusion.

Our Ofsted inspection in May 2017 judged us to be a good school in all areas. The report reflected the four year journey we have taken to improve and showed our potential to further develop into an outstanding provider.

Among our 104 staff there are a significant number of recently appointed colleagues. The school is fully committed to diversity and is seeking to reflect the community it serves. We are also committed to provide for the development needs of all our staff. The school invests in and values its entire staff. We want our staff to enjoy their work, challenge themselves and experience success.

This is an exciting time to join a forward looking, successful and supportive school which has a Board of Governors determined to ensure the school continuously improves. It is our aim to provide, expect and achieve the best for all – students and staff.
