We are an oversubscribed, expanding school, rated 'Good' by Ofsted and ranked second in the 2016 Shropshire League Tables and sixth in 2017. We are seeking to employ a Head of Maths to lead our established, expert and fully staffed Maths team.

The new post holder will join a strong school with ambitions for improving our Ofsted rating from 'Good' to 'Outstanding'. Ideally, candidates will have led an area of responsibility within Maths or elsewhere and be ready for a wider role. Post holders will be supported by coaching from an experienced senior colleague.

Oldbury Wells is a flourishing academy, the founding school of the Bridgnorth Area Schools' Trust. At present our Trust runs four schools which are local to each other. Our Trust is committed to supporting local education and enjoys strong partnership arrangements with all local primary schools. We are a comprehensive school with students across the whole ability range.

We have a very good track record in terms of examination results with excellent Progress 8, Attainment 8 and VA scores. Maths results at GCSE and A-level are strong. We are in a position of strength as a school, with our students successful across the range of groups and across the full range of subjects. Oldbury Wells School also has an established and flourishing Sixth Form including four Maths qualifications. We are able to offer candidates opportunities to teach in Sixth Form where appropriate. This vacancy has come about because of the internal promotion of the current Head of Maths.

We are located just 20 minutes from the West Midlands conurbation where we enjoy a small town location in Bridgnorth within easy reach of the Birmingham and Telford areas. We have enjoyed stability of staffing and are recruiting due to expansion to our currently fully staffed school.

Oldbury Wells School is committed to safeguarding and protecting the welfare of children and young people and therefore expects all staff to share this commitment. All appointments are subject to a satisfactory DBS check.
