Inspiring academic excellence since 1873

Notting Hill & Ealing High School is one of London's leading independent girls' day schools. Founded in 1873, it is the oldest of the 25 schools which make up the Girls' Day School Trust. We are an all-through school, starting at age 4, with over 900 students in all. The Senior School starts at age 11.

NHEHS is academically selective. Students are bright and ambitious. There is no trade off between success and happiness: the school is highly regarded for the way it achieves outstanding outcomes within a particularly warm and supportive environment.

Public examination results are consistently outstanding and girls go on to study a wide range of subjects at prestigious universities, from Oxford and Cambridge to overseas destinations such as Caltech and Trinity College Dublin.

In our latest ISI inspection, we achieved the highest possible grades across the board and the inspectors noted that 'the quality of the pupils' achievements and learning is exceptional'. We have won multiple awards, including, **2024 Independent School of the Year**.

Five pillars of the school's vision for the coming years

- **ACADEMIC CLOUD**

We Inspire in all students academic ambition, not only in the classroom, but through clubs and societies, partnership work and trips and expeditions.

- **VOICE**

We instil public speaking skills throughout the girls' time so that they all have the confidence to find their voice.

- **LEADERSHIP & INITIATIVE**

We provide leadership opportunities throughout the school, so that all students know how they can lead and introduce new ideas.

- **A COMPASSIONATE COMMUNITY**

We sustain our strong sense of kindness and community, foster altruism, and give students the skills to navigate a complex moral world with assurance.

- **SKILLS FOR LIFE**

We work with our careers team, alumnae and parents to give students the skills needed to thrive in their studies, work and in the world at large.

A highly respected former Head of Sixth Form with significant safeguarding expertise, and well-known for her open-door policy, Rebecca is Acting Head for Spring Term 2025. Academic & Pastoral Excellence

“

At NHEHS, pastoral care is prioritised as much as academic drive.”

THE GOOD SCHOOLS GUIDE

The best of both worlds

We welcome applications from colleagues who share our ethos that a happy and supportive environment sits alongside academic success.

Proactive pastoral care

Initiatives at key developmental milestones help to develop in students an outward-looking perspective, as well as the ability to navigate life at school and in the future. A clear pathway of support, ensuring that every student is aware of all the people they can talk to, supports our students through their teenage years.

The school operates an extensive House system, which supports inter-year links, and encourages girls to take part in competitions across school life, from the infamous “House Shout” to “House University Challenge”.

Pastoral Involvement

All teachers are also tutors for a form, supported by an experienced Head of Year. For those with particular strengths or ambitions, there are opportunities to receive training in Mental Health First Aid, or to become a Pastoral Coach (supplementing form tutor provision) or to become part of the specialist team delivering Sex and Relationships Education.

Our Teaching & Learning philosophy: beyond specifications

We seek to spark a deep-seated love of learning, and a knowledge-rich understanding that reaches far beyond curriculum specifications. In class, students are engaged with a variety of questioning styles. Here and through written feedback, they are always encouraged to deepen and develop their answers. We use authentic, meaningful resources, wherever possible including original texts or journal articles. We are also passionate about the power of effective verbal and written feedback.

Scholarship & Research

The culture of scholarship is everywhere. Students in Year 8 complete a ‘Learning Amazons’ project on an area of interest and students in Years 10 and 12 have the opportunity of working with counterparts in other schools on research projects, supported by academics in various other Universities.

Maya and Imogen, both offered places to read Medicine at the University of Cambridge in 2021.

Bright & enthusiastic students

“

Students here are encouraged to take the lead: from formal responsibility positions, to setting up acapella choirs, it all makes a difference.”

LEWHAT, HEAD GIRL OF NOTTING HILL & EALING HIGH SCHOOL

Martha, Year 12

“At NHEHS, the teachers are not only incredibly supportive of your learning, but also endorse your interests outside of academia. At the moment I am really enjoying European Ambassador Club, which strives to celebrate European diversity and culture”.

Martha studies History, Spanish and French for A Level. As a passionate linguist, she hopes to extend this interest at University, and is working closely with the Language department to achieve this dream. As both a linguist and a historian, Martha has been channelling her subject expertise into her involvement in the European Ambassador Programme, which aims to increase student awareness around European values and democracy at NHEHS.

Lilly, Year 9

“NHEHS has something for everyone: teachers make it as inclusive as possible, and I love the food!”

Lilly is one of our sporting stars, and plays for Middlesex Cricket Club. Her favourite subjects are Maths, Drama, and Design Technology: she is just as impressive in the classroom and the workshop as on a Cricket pitch! This year, Year 9 are trying to be more curious, so she is enjoying going down rabbit holes and learning beyond the curriculum.

Wala, Year 7

“At NHEHS, I am able to be as creative in lesson time as I am outside of school. My two favourite subjects are English and Art, and I especially enjoy Creative writing and poetry, as they allow me to be the most imaginative”.

Wala is in Year 7. Alongside her academic subjects, she also loves sports, and participates in Dance Club to extend her passion outside of the classroom. Not only is she a creative writer, but Wala is also a musician and plays in the school Orchestra as a Violinist.

This year, Year 7 have participated in a competition in celebration of National Poetry Day, where they focused on the many forms that poetry can take as a medium for self-expression.

Maya and Sophie, best friends since Reception and Waterpolo Captains (their team won the national championships), have gone on to study Engineering at Caltech and Computer Science at Cambridge.

A diverse community of colleagues

“

NHEHS is a magical place. We learn with, and from each other: I love discussions with colleagues and the many opportunities to connect socially.”

ANIKA DONKOR, GERMAN LANGUAGE ASSISTANT & A LEVEL TEACHER

Rachel Gordon Teacher of History and Teaching & Learning Development Lead

“Staff are trusted in trying new approaches, and supported in leading initiatives. NHEHS is a true community with numerous pathways for career development. I’m proud to have worked here for 10 years – and looking forward to the next 10!”

Following a career in investment banking, Rachel leads public speaking for students and is well-known for delivering formidable all-staff training sessions, and ‘revision parties’ for A Level History. Her da Vinci cross-curricular lecture initiative won the TES Creativity Award.

Faiq Khan Assistant Head Digital, Operations & Sustainability

ROBERTA KLIMT, DEPUTY HEAD OF SIXTH FORM

Developing Teaching & Learning with in-house programmes

Notting Hill & Ealing High School is committed to excellence in all aspects of teaching and learning, and a commitment to developing all staff. Opportunities are in place at all levels, from a comprehensive New Staff Induction programme to whole school INSET days. Our Bitesized CPD programme provides lunchtime and after school sessions on academic, pastoral and digital areas, whilst staff are encouraged to embark on their own learning walks, affectionately known as Wonder Wanders.

Training Opportunities

Professional development is key, and the school works with various organisations in order to help colleagues to achieve their goals. These have included training courses provided by the GSA and HMC, as well as centralised programmes provided by the GDST. With a generous training budget, staff are provided with a CPD menu of options so that they can create a bespoke programme suited to them. Connections are made through partnerships with other schools within the GDST.

Further Bespoke Training

We like to listen to colleagues and offer opportunities to help teachers develop in ways that work for them.

We can arrange, for example, for colleagues to have a day off timetable to develop spreadsheet or data analysis skills with another member of staff with particular expertise in that areas.

There are also opportunities to shadow members of the Senior Leadership Team or participate in the 'Next Step Mentoring', giving colleagues whole-school experience in a particular area.

Formal Qualifications

There is the opportunity to develop professionally through gaining formal qualifications. We have worked closely with the University of Buckingham to offer staff the chance to complete a PGCE or Apprenticeship qualification. There are also qualifications for more experienced members of staff available through the Chartered College of Teaching, or the HMC and GSA groups of schools.

Unique Connections

“

Our partnerships prepare students for the future and make us part of a broader community, for mutual growth and benefit.”

PASAN FERNANDO, ASSISTANT HEAD CO-CURRICULAR AND PARTNERSHIPS

The GDST

GDST schools share an ethos and heritage of girls-only education and are members of a unique network which adds value to each school, student and member of staff. Networking opportunities with other colleagues across the Trust enable staff to share best practice and develop initiatives that benefit all our schools and students. In addition to supporting the work of individual schools in supplying excellent induction and development opportunities for staff, the GDST network provides access to an extensive training programme. This includes development opportunities (including a Middle Leaders Development Programme and Aspiring Leaders Programme) and grants for individual courses of study.
