We are a fully inclusive, popular and over-subscribed 11-16 comprehensive Academy with almost 1500 students on roll. The Academy became a Cooperative Trust School in April 2010 and in 2017 we seamlessly moved to become Co-op Academy Failsworth.

We offer and seek the following:

- We seek to provide a high quality education and pride ourselves on being an Academy that isn't afraid to take risks in order to develop both students and staff.
- We are committed to the support, nurture and development of our staff and place great importance on the provision of high quality professional developmental experiences and opportunities for all of our colleagues.
- We believe that our Academy is a stimulating and enjoyable place to teach and learn. We achieve our goals by a strong team working together in order to raise attainment and to improve our students' learning experiences.
- We want colleagues who want to teach, who demand high standards and who have a wide variety of experiences.
- Who knows what challenges will face us over the coming years? For those staff who are talented, ambitious, hardworking and enthusiastic there will be plenty of career opportunities which will offer you excellent developmental potential.
- In February 2008, we opened our brand new, £30 million state-of-the-art building. The building was specially designed around the students and teachers to maximise space and comfort, making it a safe and enjoyable place to be.
- We are extremely proud of being part of the Cooperative Academies Trust and the ethos that this has afforded our Academy. The last year has seen vast developments for the Academy, with our facilities and our role in the local community.

#### **About the Local Area**

Failsworth is well placed for employees to live in either the vibrant city centre of Manchester as it is only 3 miles away. Alternatively, Oldham offers attractive and well priced housing in city and rural localities.

#### **Exams/Curriculum**

The Academy has a condensed two year Key Stage 3 curriculum. In Year 9 students start GCSEs which lead to external accreditation at the end of Key Stage 4. The academy day is currently split into  $5 \times 60$  minutes sessions. On Thursday each week the length of each lesson is reduced to  $5 \times 50$  minutes to allow all our staff to undertake continuing professional development activities at the end of the academy day. We encourage and expect our students to become independent learners hence the staff are sensitive to different learning styles and are encouraged to share new ideas. With class sizes for KS3 between 20-30

and a KS4 average of 20, we give the students the attention they deserve and reward them for good, independent, active learning.

There are approximately 190 teaching and support staff across the Academy, all on hand to give help and support and all with the opportunity to participate in high quality professional development opportunities.

We are committed to offering continuing professional development activities for all staff to enable them to develop their career. We also have a number of long established staff who have embraced the internal opportunities - together this has created a friendly, approachable atmosphere.

#### Wellbeing for staff

One of the 4 aims in our Academy Plan is staff wellbeing. We are a responsible, caring employer who want to support staff to create a high performing team.

#### **ENGLISH**

The English department is a forward looking and dynamic department that has led the development of high quality teaching and learning across the school. The use of both assessment and ICT are strongly embedded within the department – there is a promethean whiteboard in every classroom – this, along with rigorous assessment that is central to every lesson, helps deliver both engaging and challenging learning.

There are presently 15 full time members of staff and who are expected to teach across the full age and ability range.

The English department work hard to ensure that all students meet their potential and therefore track students' progress closely during the year and through their time at the school. The curriculum is reviewed and adapted in order to meet the changing needs of our students. We believe in personalised learning so the team work hard to adapt their lessons to suit the needs of the students in their classes. The English department are a strong team who plan collaboratively; share ideas and support each other in order to continue to develop new ideas and strategies. The English Department is focussed on delivering inspirational learning to pupils of all abilities and is an extremely supportive team of high quality committed professionals.

In KS3 students study a varied curriculum to build on their skills from KS2 and to prepare them for KS4. The curriculum includes a range of literature such as Shakespeare, Shelly and Dickens along with contemporary writers and a variety of non-fiction texts. Teachers incorporate media and speaking and listening regularly throughout the schemes of work.

In KS4 all students study English Language and Literature for AQA terminal exams. We teach a range of texts to different groups to support them through the challenges of the new specifications including Stevenson's The Strange Case of Jekyll and Hyde; Dickens' A Christmas Carol; Golding's The Lord of the Flies and Priestley's An Inspector Calls. We have a strong focus on ensuring that our students are fully prepared for their GCSE examinations whilst continuing to offer them a rich and engaging curriculum.
