Appointment of
Admissions Executive
Term Time plus 7 weeks (40 weeks)

Welcome to Heathfield

Thank you for your interest in Heathfield.

Heathfield is a warm and welcoming school, an inclusive community which puts its students at its heart. As an intentionally smaller school, we can genuinely focus on individuals, supporting and inspiring them to strive and achieve. Everyone is known and important here, and the school celebrates the achievements of every student. The greatest asset of any school is its staff. We are building a team of extraordinary people, a community united in its mission to do the very best for every student. Our personalised and individual approach is central to making sure that every student is happy, confident and ambitious. This is what enables them to reach their academic, social and emotional potential.

Our academic results show exceptional value-added scores, and our co-curricular achievements continue to punch well above our weight. Most importantly, we have maintained our defining characteristic - being a close-knit community where every student is known, valued and empowered to discover their unique talents.

The Admissions Executive is an exciting and key position within Heathfield. If you are passionate about education and want to play a pivotal role in a prospective student's journey from enquiry to enrolment, this is the opportunity for you.

All the very best,

Jonathan Williams
Headmaster

Heathfield School

Heathfield is a vibrant independent boarding and day school for girls, introducing a co-ed Sixth Form in 2026. It is a member of GSA and BSA. There are approximately 200 students, aged 11–18, approximately 60% of whom are boarders. Recent developments in the boarding model have created a modern, integrated community of full and weekly boarders, alongside day girls. The result is a warm, inclusive and friendly community, where all can flourish.

The School occupies an attractive, 36 acre site on the edge of Ascot. Extensive outdoor spaces and woodland provide an inspiring, rural environment, though only half an hour from Heathrow airport and on a direct train line to Central London.

Resources for learning are excellent and constantly evolving. A modern theatre was completed in 2009, followed by a STEM Centre in 2015. Most recently, the new, multi-million pound Cadogan Sixth Form Centre has provided dedicated learning accommodation for A Level students, alongside the most modern of social spaces.

Technology is embedded within the academic life of the school, including through a multi-media recording studio.

There are extensive facilities for sport and exercise. In addition to playing fields, there is a Sports Centre including modern fitness gym, dance and spin studios alongside a 25m indoor pool. Wellbeing has a high profile in the life of the community.

There is an extensive programme of co-curricular activities, in which all students are encouraged to take part. This includes a vibrant and varied programme of weekend activities in which both boarders and day students participate.
