

Ark John Keats Academy

Primary Teaching Assistant

About Ark

Ark is an education charity set up in 2004 to create a network of high achieving, non-selective, inner-city schools where all pupils, regardless of their background or prior attainment, achieve highly enough by age 18 to have real choices: to go on to university or the career of their choice. Ark has no faith affiliations.

All ARK schools are situated in areas of high deprivation or educational need and our pupil profile reflects this: over half of our pupils are eligible for free school meals compared to 18% nationally.

The ARK network operates 39 schools in the UK across London, Portsmouth, Birmingham, and Hastings. Each of our schools has its own distinctive character, reflecting its local community.

A Commitment to Encourage Diversity

Ark is committed to eliminating discrimination and encouraging diversity amongst our employees. Our aim is that our workforce will be truly representative of all sections of society and that each employee feels respected and able to give their best.

To that end we are committed to provide equality and fairness for all in our recruitment and employment practices and not to discriminate on grounds of age, disability, gender reassignment, marriage/civil partnership status, pregnancy and maternity, race, religion or belief, sex, or sexual orientation.

We oppose all forms of unlawful and unfair discrimination.

About Ark John Keats Academy

Ark John Keats was founded in 2013 with one class of reception children. We are now a fully-fledged all-through school, running from nursery to year 13, with over 1800 children. Our school is oversubscribed, with a waiting list for every year group. Our community is composed of supportive and committed families who buy into our vision and work with us to ensure their children achieve all they are capable of in the future.

We aspire for all our children to have the academic knowledge necessary to enable them to progress to university, for pupils to have a love of learning and curiosity about the world, and for them to be polite, well-mannered young people who take responsibility for their choices and drive their own destinies. Our core values underpin everything we do:

Kindness, Effort, Aspiration, Tenacity, and Success

At Ark John Keats, we aspire for all our children to gain the academic knowledge necessary to progress to university, to develop a love of learning and curiosity about the world, and to become polite, well-mannered young people who take responsibility for their choices and drive their own destinies. The academy's approach to achieving this is based on our six pillars:

High Expectations

Knowing Every Child

Our teachers know and care about every child they interact with, proactively building strong and positive relationships between school and home.

Always Learning

Our continuous professional development, co-planning meetings and coaching ensure teachers feel both stretched and supported, able to develop as teachers and leaders in a long-term career at Ark John Keats Academy.

Welcome from the Principal

Dear Candidate,

I am delighted to introduce you to Ark John Keats Academy: an all-through school in Enfield with a mixed comprehensive intake. Our mission is to ensure our pupils lead a life of genuine choice and can drive their own destinies because they have a rigorous academic curriculum, which is well taught, and because they know that kindness, effort, aspiration and tenacity lead to success. We are a member of the successful Ark network of schools and are proud to serve the young people and families in our community here in Enfield.

We opened our doors to our first reception classes in September 2013 and our first cohort of year 7 pupils joined us in September 2014. We currently have over 1800 pupils enrolled from nursery to year 13 and are oversubscribed in every year group. Our teaching staff are experts in their subject areas and all staff at the academy share a commitment to upholding the highest expectations. We have created an academy that is renowned for its calm, orderly and purposeful environment, where pupils behave maturely and respectfully and enjoy the rich experiences that we offer. As a result, our students secure excellent academic outcomes, become kind and well-rounded young people, and go on to impressive destinations (on average over 65% of our students go on to one to study at a top third university in the U.K.). The academy was graded good in all areas in our Ofsted inspection of January 2023, and we are committed to building on this foundation to ensure that every aspect of our school is truly excellent.

This is a fantastic place to develop your career and to make a positive contribution to the lives of young people. We are looking for talented and dedicated staff, who are ambitious for our pupils as well as themselves, to join us in this next phase of our development.

Kind regards,
