The Academy's most recent Ofsted inspection in March 2014 judged the Academy to be a 'Good' school overall. Achievement of pupils, quality of teaching, behaviour and safety of pupils, were all individually graded as "Good"; and Leadership and management was graded as "Outstanding".

Ofsted identified that clear and crucial improvements are being made to secure our student's future here at the Academy. We are delighted that Ofsted has recognised the hard work, progress and success of our staff and students. We are determined to continue to improve to an "outstanding" judgment at the next Ofsted inspection and are committed to securing that future success.

This, then, is a very exciting time to be joining the City of London Academy Islington. We are looking for a Vice Principal who shares our ethos for excellence and who has the passion, energy, determination, skills and vision to help us continue to drive the Academy forward.

The successful applicant will play a pivotal role in leading and driving Academy improvement further, as part of an outstanding Senior Leadership Team. Possible responsibilities for the post include leadership of:
