

## Job Description

### Grade 9 & 10 Teacher – Mathematics & Business Studies

#### The School

TLC International School is a well-established, inclusive international school in Muscat, Oman, offering education based on the Cambridge International Curriculum. We are known for our supportive ethos, strong relationships with families, and a commitment to educating the whole child within a respectful and community-focused environment.

As part of our continued, planned expansion into secondary education, we are seeking a motivated and knowledgeable teacher to support students in Grades 9 and 10, helping them build strong foundations and prepare effectively for IGCSE study.

#### The Role

The successful candidate will teach Mathematics and Business Studies across Grades 9 and 10, delivering engaging, well-structured lessons aligned with the Cambridge curriculum. The role involves supporting students' academic progress, preparing them for IGCSE expectations, and contributing positively to the development of the school's growing secondary programme.

This position is well suited to a teacher who enjoys working in a smaller school environment, values collaboration, and is confident contributing to curriculum development.

#### Key Responsibilities

- Teach Mathematics and Business Studies to students in Grades 9 and 10
- Plan and deliver lessons in line with Cambridge curriculum requirements
- Prepare students thoroughly for IGCSE, developing subject knowledge, skills, and exam readiness
- Use formative and summative assessment to monitor, record, and report on student progress
- Provide timely, constructive feedback to support student improvement
- Maintain a positive, inclusive, and well-managed classroom environment
- Communicate effectively with parents regarding student progress when required
- Work collaboratively with colleagues and school leadership
- Contribute to curriculum planning and the ongoing development of the secondary section

# Teaching & Learning Communities LLC

## The Ideal Candidate

- Holds a recognised teaching qualification
- Has experience teaching secondary Mathematics; experience in Business Studies is highly desirable
- Familiarity with the Cambridge curriculum and IGCSE is preferred
- Demonstrates strong subject knowledge and effective classroom practice
- Is flexible, reflective, and student-centred
- Is comfortable working in a developing international school context

## What We Offer

- A supportive and collegial working environment
- Small class sizes and engaged learners
- Opportunities to help shape and grow the school's secondary and IGCSE provision
- Professional respect and collaborative leadership
- Competitive, tax-free salary (commensurate with experience)
- Visa and residency support in Oman

## Start Date

August 2026

## Safeguarding

TLC International School is committed to safeguarding and promoting the welfare of children. All appointments are subject to appropriate background checks and satisfactory references.
