11-19 Mixed Comprehensive School – 1145 on roll

TEACHER OF SCIENCE

Mainscale/NQT

Required for: Easter or September 2020

The Governors of this wonderful and dynamic 11-19 school mixed comprehensive school are seeking to appoint a well-qualified, enthusiastic and energetic teacher of Science. This post is available to both NQT's and experienced Science teachers. At Colmers, we offer excellent support and CPD for staff at all stages of their career. The successful candidate will join a collaborative team of highly committed teachers, on a mission to develop confident, curious and resilient learners.

We are looking for a colleague who is passionate about the importance of Science and STEM subjects, who will inspire our students, equipping them with the knowledge, skills and understanding they need as 21st Century learners.

We would expect you to teach all Science disciplines at Key Stage 3 and KS4

Double Award, plus your specialism in separate Science at KS4.

Specialism in Biology or Physics will be an advantage.

You would be joining Colmers at an exciting time in our development as we build on our innovative Key Stage 3 Bridge curriculum and we embark on a new-build project that will provide new facilities from 2020. This role will offer the successful candidate exciting challenges that will be both rewarding and fulfilling and will support you to achieve your own personal career goals and aspirations.

Colmers School is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. An enhanced DBS check is required for all successful applicants

For further details and an application form please see the school
