INFORMATION FOR APPLICANTS:
Assistant Curriculum Leader for Science

WELCOME TO THE SHARED LEARNING TRUST

Cathy Barr

The Shared Learning Trust has appointed Cathy Barr as its new Chief Executive Officer. Cathy is already part of the Shared Learning Trust's family of schools, having been Principal of the Stockwood Park Academy in Luton for the last five years. The Shared Learning Trust is a stand-alone multi academy trust, which runs a family of four schools based in Bedfordshire: Stockwood Park Academy, the Chalk Hills Academy, the Linden Academy and the Vale Academy. Cathy grew up locally, in Harpenden, and went to school in St Albans. She has almost 25 years' teaching experience under her belt, qualifying in 1993 and joining the team at Stockwood Park (then the Barnfield South Academy) in 2009.

Cathy said of her appointment: "I am thrilled to have been appointed CEO of the Shared Learning Trust. I care passionately about the students we teach and will do all I can to ensure each and every child, from the age of two to 18, gets the best possible care and education in our academies."

– We recruit people for attitude and train for skills

We aim to recruit outstanding people who have the right attitude. If you have a love for teaching and are passionate about seeing children succeed, we would love to hear from you!

Recruiting the right teachers and staff help us to achieve the goals we set for our children. We are always keen to hear from educators who are passionate about working for the schools and communities we serve. We would rather make no appointment than appoint someone who does not share the same positive ethos that runs through our Academies. For this reason, we try to articulate clearly our vision, values and expectations when putting together information for applicants.

We aim to recruit staff who:

- are excited by their role and by the prospect of working with young people, even those who are less well motivated;
- love the processes of learning and teaching and are keen to continually develop their own skills;
- recognise that teaching can be a demanding job but react positively to those demands rather than complaining;
- will subscribe to the ethos of the Trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people;
- see break duty as an opportunity to talk to children;
- are quick to praise and slow to criticise; and are not afraid to admit to seeing themselves as potential leaders of the future.

I am conscious that this may be your first contact with our Academy Trust and first impressions are very important. I hope what you read; coupled with anything else you discover about us, inspires you to apply for this post.

ABOUT THE STOCKWOOD PARK ACADEMY

Providing the very best education for all our students is the simple goal for The Stockwood Park Academy. Whilst firmly rooted in traditional values, we have made our Academy a vibrant and exciting place with a positive ethos that runs throughout the Academy. We want our children to flourish and develop into decent, disciplined, well-educated and employable adults.

We have an innovative curriculum, which makes the transition from primary to secondary education an enriching and enjoyable experience and enables students to follow a personalised route to success. Our students are achieving the highest standards in the classroom, on the sports field and among the community.

Our state of the art building which we moved into in February 2011 offers cutting edge facilities that are benefiting students even further. Our hardworking and motivated staff are providing outstanding lessons and are given the best possible support. We work closely with parents and carers, encouraging their children to achieve and ensuring that excellent progress is made.

With the rigorous use of data, constant assessment of student progress and quality assurance methods, together, we are achieving more than we ever thought possible. We instantly respond if students experience difficulties. Dialogue with teachers is encouraged as a framework for students to develop ideas, ask questions think about their learning.

Leadership and Management: 'GOOD'

- The leadership team are working effectively under the direction of the Principal and Associate Principal. There is a good range of effective professional development opportunities for staff, which are based within the academy. Leaders have successfully created a good culture for staff development.

Behaviour and Safety of Students: 'GOOD'

- The behaviour of the students is good. Students are proud to be at the academy. They wear their uniform with pride. Students make good contributions to their learning and most complete their work with care and attention to how it is presented. Students behave well in lessons, the Academy works very hard to ensure that students whose behaviour is challenging are given good support. One student said, 'The academy has really helped me to improve.'

Quality of Teaching: 'GOOD'

- In most areas, including English and mathematics, there is evidence of good teaching. Teachers have strong subject knowledge, a good understanding of how students learn, and high expectations. Planning is consistent and effective, and, in the main, careful assessment enables the teachers to know the students well

Achievement of Pupils: 'GOOD'

- Students enter the Academy with knowledge and skills that are typically below average for their age and abilities. They make good progress in English, Mathematics, Humanities, and most other subjects. The proportion of students making better than expected levels of progress, given their starting points, are good in both English and Mathematics.

TEACHER TESTIMONIALS

"What I really felt here more than anywhere else was that the welcome was extremely warm and the team wanted to develop me and nurture me as a leader, a professional and a teacher. They have given me the opportunity to go on to the national leadership course, which allowed me to nurture my own leadership skills and learn a whole host of different things, which I had not had the opportunity to learn before.. At Stockwood, we really believe the CPD should be personalised at whatever level you are at and whatever level you come into the Academy. If you are an NQT or Unqualified, we really nurture the talent you have and we will help you gain QTS and complete your NQT year. We have also put together a rolling CPD programme every Thursday night so that people are really supported. We believe that nurturing talent upwards is really important, whether that's pastoral care, curriculum care, teaching and learning and then moving into SLT. We have middle leader and senior leaders' courses and send people out on National Accreditation. Stockwood Park Academy have really helped me develop my skills and I'm very lucky that I have a team of people that I know I can develop myself and still do my day to day job."

Helen Palmer, Assistant Principal for Teaching and Learning

"Since the first day I walked into my interview and over the past 4 to 5 years, Stockwood Park Academy have provided many opportunities to me. They have been really supportive, the in-house CPD sessions they provide, the leadership from above and the supportive nature of the teams that I have been a part of has really helped me develop my professional conduct, my character and my ability as a teacher and leader."
