## MRS BEEVER - HEADTEACHER

---

Dear colleague,

Thank you for expressing an interest in the post of Teacher of Computer Science at Loreto Grammar School. I am seeking to appoint a candidate who will teach at Key Stage 3 and Key Stage 4 in this effective department and will commit to and support the ethos and values of this Catholic girls' grammar school. The ability to teach Computer Science at A Level would be an advantage but is not essential. The successful candidate will be expected to contribute to the wider school curriculum including extra-curricular provision.

Applications are welcome from colleagues at all career stages, from ECT to more experienced candidates. This is a full-time permanent post and will commence in September 2025.

The successful candidate will join a happy and engaged community with 'Outstanding' status in its most recent Ofsted Inspection (September 2022) and Denominational Inspection (March 2019). We are proud to have been named the North West State Secondary School of the Year for 2025.

You will find ample information on the documentation provided and on our website, and I hope it will give you a strong sense of our Loreto identity and inspire you to apply.

I look forward to receiving your application.

With kind regards,

J Beever (Mrs)  
Headteacher

## OUR SCHOOL

Loreto is a Roman Catholic Grammar School for girls, with Academy status, situated in the popular market town of Altrincham in the borough of Trafford, close to transport links including train and tram stations. The school is heavily oversubscribed, and there are currently 1072 girls on roll. Most of the girls come from Trafford, with others from the neighbouring Authorities of Manchester, Stockport, Cheshire and Warrington.

It is a wonderful school in which to learn and work, a school which is rooted in a rich tradition, whilst at the same time, very forward looking and keen to keep apace of appropriate educational development. We provide an outstanding curriculum, a curriculum which is carefully planned and consistently reviewed to meet the needs of the girls at every Key Stage and one celebrated by Ofsted in September 2022.

We have a dedicated and passionate group of staff who are experts in their individual specialist areas. The hallmark of colleagues at Loreto Grammar School is their willingness to go the extra mile for the girls and their commitment to this community. The extra-curricular life here is extensive. The girls rise to the academic challenge and appreciate the positive relationships with their teachers. They are reflective learners and engage wholeheartedly with the broader aspects of school life in relation to, for example, social justice issues and service to others. We aspire to fulfil the girls in our care in developing them spiritually, academically and physically in a happy, supportive and enthusiastic environment where each is recognised for her intrinsic worth.

The Governing body comprises Loreto Sisters, parents, former parents and staff. They are passionate about this community, committed to it and rigorous in holding us to account. They are fully engaged in School life.

We have a proud history of partnership work. For example, the Loreto Grammar School – Lead partner programme through the Teacher Development Agency and in conjunction with Manchester University. We are a member of the Specialist Schools Trust Leading Edge partnership, a Gifted and Talented network.

Loreto Grammar School is proud to be part of the Loreto Education Trust (LET) and members of a strong International Loreto network. We acknowledge the far-reaching work of the Sisters who are active in their support of the school as Trustees and support education in England through the Loreto English Education network (LEEN). Our work is rooted in the Vision, Values and Philosophy of Education of Loreto schools and the values of sincerity, excellence, truth, freedom, internationality, justice and joy underpin all that we do. We support the work of Loreto International in India and Albania, in particular.

Parental engagement is extremely high and our parents are very active in their support of the work of staff and school and our Parents' Association, the LPA, regularly raise in excess of £12,000 per annum for the school

Our academic results are excellent, and our students achieve consistently at the highest levels, meaning that we feature consistently in The Times 100 schools. In December 2024, we were delighted to be awarded the title of The State Secondary School of the Year in the North West in recognition of this. In 2024, the cohort achieved outstanding results. 87% grades were at A\*- B at Advanced Level, 45% of grades were awarded at A\* to A and 32% of students achieved 3 or more subjects at grades A\*/A. At GCSE, 76.5% of all results were awarded at grades 7 to 9. Our Progress 8 score for 2024 is 1.07.

Our Ofsted Section 5 inspection in September 2022 stated:

---

*"Loreto Grammar School is an inspirational place to be."*

---

*"Enabling pupils to become their very best self is at the heart of leaders' vision at Loreto Grammar School."*

Our Denominational Inspection report in of March 2019 notes that:

---

*"Outcomes for pupils, the provision for Catholic Education, leadership and management in the development of the Catholic life of the school are all confirmed by this Inspection as outstanding. The core values of the school are strongly evidenced throughout in terms of practice, aspiration and relationships all in the context of high academic achievement."*

---

In short, Loreto is a welcoming and happy community and an exciting and stimulating professional environment in which to work.

## OUR SIXTH FORM

The Sixth Form is integral to school life, whilst students enjoy separate privileges and distinct spaces in School, they play an active and vital part in the school community.

The overwhelming majority of students stay on here post 16, and every year places are offered to a number of applicants from other schools. We have capacity for 285 students in the Sixth Form. We offer a very broad range of A Level subjects and the majority of girls go on to Higher Education, with nearly two-thirds of our cohort pursuing their studies at Russell Group institutions. Students aim high and we support them in a range of competitive applications for vocational, academic and creative undergraduate courses at the top higher education establishments in the UK. Of late, there has been an increasing interest in graduate calibre apprenticeships and school leavers' programmes.

The world in which we live measures success predominantly in terms of examination results. In a grammar school it is important that we challenge the girls to succeed in this domain; nonetheless, central to our core aspirations is the conviction that, in the words of Pope John Paul II "the promotion of the human person is the goal of the Catholic School". We have actively committed a generous proportion of curriculum time to such development through tutor time and our Aletheia programme, encompassing reflection and discussion of the greater questions of life. We believe this to be vital in the increasingly complex and challenging world in which the girls live.

Work experience, volunteering and community service are key elements in the development of students' responsibility and resilience. In normal circumstances, students benefit from work experience placements on a weekly basis as part of the Sixth Form Enrichment programme. Alternatively, students can increase their study skills and independence by working towards the Extended Project Qualification, typically a group of 60 Year 12 students.

Many students take part in the National Citizenship Scheme, and through that we are able to foster links with our community and partner primary schools by volunteering and mentoring. The Duke of Edinburgh programme is also a popular extra-curricular activity. Every year, Sixth

Formers establish teams for the Young Enterprise initiative and they create, produce and market their ideas in partnership with local businesses. This gives them the opportunity to operate in a real business environment.

Our Chaplaincy group is active, leading whole-school projects of social justice and awareness. It is led by Sixth Form students who plan and organise events and represent the school at national events such as the FLAME conference. Every year, a group of our Sixth Formers travel to Lourdes with the diocesan pilgrimage group and 14 have trained as Eucharistic Ministers in School in order to serve both our community and their local parishes. Inspired by their studies and the spirit of justice and freedom, Sixth Form students work to become official Holocaust Memorial Ambassadors. They independently organise and lead events and an annual campaign around Holocaust Memorial Day in January.

Internationality is one of our seven school values and we have a responsibility to instil a global outlook in our young people. Links with our sister schools across the globe are particularly important to our community.

a quiet determination to be the best that they can be”***

If you are not currently working with children but have done so in the past, that previous employer will be asked about those issues. Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children, although s/he may, where appropriate, answer 'not applicable' if your duties have not brought you into contact with children or young persons.
