

Secondary School Spanish Teacher

A KIS education centers on inquiry and applied learning principles. We seek teachers who are excited to join a faculty who collaborate to create relevant and rigorous learning opportunities. As an international school, cultural competency is essential to our community. And just as our teachers support student growth, KIS encourages faculty members to engage in professional development that grows their vocation. KIS works to continually improve the educational experience and benefits from the knowledge and ideas all faculty members contribute.

Position Description:

- The secondary world language curriculum follows ACTFL standards
- All KIS teachers make ongoing contributions to enhancing the school community through after-school activities, athletics, student organizations, and clubs
- All secondary teachers serve as advisors in the advisory program or are on the Advisory Development Team, overseeing curriculum development
- All middle school teachers serve as chaperones on our Experiential Education overnight trips for the relevant grade level

Qualifications

Required:

- Bachelor's degree in Education or relevant subject, and required relevant certifications (Spanish as a Foreign Language)
- Minimum of two years of successful experience working as a full-time support teacher in an accredited school setting
- Relevant experience in classroom instruction and assessment
- Ability to obtain a work visa in Korea (successful completion of a drug screening process per Korean law)

Preferred:

- Master's degree in a relevant field
- Two years of overseas teaching experience
- Experience in teaching and assessing language proficiency using the ACTFL (American Council on the Teaching of Foreign Languages) guidelines, including proficiency levels, performance descriptors, and assessments.
- Experience facilitating advisory sessions, grade-level teams, as well as participating in after-school activities and clubs.

- Advance Placement
- Actively contributes to the school community beyond the classroom

Attributes and Competencies

Classroom Instruction and Assessment:

- Proficiency in standards-based instruction, assessment, and curriculum design to promote deep subject understanding
- Deliver engaging, effective, student-centered lessons that promote collaboration, critical thinking, and problem-solving
- Will provide timely, relevant feedback for student growth, utilizing data to design instruction and respond to student needs
- Thorough understanding of relevant curricular standards that appropriately match the subject taught (e.g., AP, ACTFL, OSPI)

Student Support and Relationships:

- Ability to connect with students and address their pastoral care needs, including supporting their social-emotional development and fostering positive learning behaviors
- Develop positive relationships with students and families that communicate learning goals and expectations as well as instruct on areas of strength and need
- Will foster and maintain a caring, inclusive learning environment for all students and work on progressive discipline models aligned with KIS core values

School and Community:

- Contribute to a positive school climate within and beyond the classroom
- Collaborative approach to course planning and assessment delivery across grade levels, departments, and divisions
- Commitment to promote diversity, inclusion, and belonging
- Serve as a mandatory reporter, upholding the school's safeguarding policies and Adult Code of Conduct.

Personal Attributes:

- Display cultural competence and an openness to continual learning
- Demonstrate initiative, flexibility, and a positive attitude
- Establish cooperative and collaborative working relationships with staff, students, and parents
- Maintain a solution-based approach to problem-solving
- Illustrate organizational and time-management skills

Dedicated teachers play a pivotal role in nurturing the comprehensive development of our students by delivering high-quality instruction, constructive feedback, and assessments.

Safeguarding is a critical component of KIS accreditation and annual audit processes. Safe recruitment practices are followed to thoroughly screen potential employees. All KIS employees participate in safeguarding training throughout the school year. KIS expects employees, contracted service providers, families, and volunteers to follow established codes of conduct and to be vigilant to possible signs of harm to children, immediately reporting concerns to designated safeguarding staff members.

Teachers are actively involved in various aspects of student life, including club sponsorship, advisory roles, and co-curricular activities. Collaboration within department and grade-level teams, as well as maintaining strong connections with parents and school counselors, ensures that every student receives the necessary academic and social-emotional support. Joining our community is a fulfilling experience for those who are eager to contribute to its growth.
