A WARM WELCOME FROM CEO ANDREA ARLIDGE

Thank you for expressing an interest in joining one of the schools within Wellsway Multi Academy Trust. We are a cross phase Multi Academy Trust (MAT) established in 2014. We have steadily built up our Trust to 13 schools crossing secondary, primary and special sectors. We educate young people from 3 to 19 within our family of schools.

Our aim is to create a group of remarkable schools across Bristol, Keynsham and Bath areas delivering outcomes for learners that will place each school within the top 20% of similar schools nationally for progress made. We are committed to raising aspiration and never accepting second best. We are creating schools with a very distinctive culture and ethos centred on every student enjoying learning and expecting success. We have sought to reflect the culture that we are creating in our schools within our [vision and values statement](#).

We are excited by the potential of our Trust to further improve our schools. The power of schools working in collaborative partnership is the opportunity to share and learn from one another. Our annual Trust conference (October 2018) was attended by over 650 delegates from our teaching, support staff and board members. We shared best practice and learned from one another. Benefits of being part of a MAT include wider opportunities for staff and pupils including;

- Greater opportunity for staff development and career progression
- Broader sharing of expertise; improved transition; access to specialist support
- Access to specialist facilities and resources
- Increased economies of scale.

We value our staff highly and want to be the employer of choice in the area. We offer competitive conditions of service and a culture that supports our staff to reach their maximum potential. As a Trust we are able to offer a comprehensive programme of continuing professional and leadership development (CPLD) opportunities for all staff, cross-phase, and for both teaching and support staff. We also have a strong school improvement team and are delighted to have been designated teaching school status as the [Great Western Teaching School Alliance](#).

Those we recruit need to demonstrate that they share our values. We are looking to appoint people who are highly motivated to work with colleagues within and beyond their academy to pursue professional excellence, with a strong commitment to providing the highest standards of teaching for all children. There is an amazing momentum developing across the Trust and we are already having significant impact in our schools. We are looking to appoint people who share our values and want to develop their career within our Trust and look forward to receiving your application.

Once again, thank you for expressing an interest in joining us and I wish you luck with your application.
