Special Needs Teacher required for April 2020

Cherry Garden is an outstanding community special school that meets the needs of children (2-11 years) with severe and complex needs including autism. We are a committed and motivated staff team who are constantly striving for ways to improve outcomes for all children. We have recently moved to a new state of the art building with amazing facilities.

The Governors are seeking to appoint a teacher who is enthusiastic and committed with a passion for improving outcomes for the whole child. We can provide excellent CPD opportunities within a supportive and forward thinking environment.

We are looking for someone who:

- has high expectations for all children.
- can demonstrate excellent classroom practise.
- is passionate about enabling children to learn to the best of their ability.
- is able to lead and motivate a team and work collaboratively within teams.

Previous experience within a special needs setting is desirable but not essential. Visits are warmly welcomed by appointment. For informal discussions please contact Teresa Neary, Headteacher, on 0207 2374050 or 07921210922.

All Southwark schools are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. The successful candidate will be subject to an enhanced DBS disclosure.
