

Teacher of Physical Education The Green School for Girls

Dear prospective candidate,

Thank you for your interest in applying for the above post at The Green School for Girls. The Green School for Girls, established in 1796, is a highly successful school with an excellent reputation and is one of two schools run by The Green School Trust – a Church of England Multi Academy Trust serving the young people of West London. The Trust's core purpose is to develop schools which expand the hearts and minds of students within supportive, inclusive, multi-faith environments founded on Christian values. The motto for The Green School for Girls is "Let your light shine" (Matthew 5:16) and serves to illustrate our belief that everyone has the potential to achieve and excel. We are very proud of our consistently strong student progress which we achieve whilst offering a broad, balanced and enriching curriculum.

The Trust intends to appoint an aspirational and dedicated Teacher of Physical Education who will drive standards of excellence, curriculum development and pedagogical approaches which will inspire and motivate students. As a Teacher of Physical Education you will be supported by the Head of Department to fulfil your role and you will work across the Trust Sixth Form consortium. You will plan and develop learning experiences which will foster a culture of high expectations, achievement for all and care for each individual within a dynamic learning environment where each student will be stretched, stimulated and supported to make excellent progress.

Physical Education is a great area of strength for the school. There is a strong focus on fitness and wellbeing across the Key Stages and the successful candidate will be joining a highly committed and experienced team focussed on ensuring excellent outcomes for all students. GCSE PE is offered at Key Stage 4. The department offers a range of co-curricular activities including winter and summer sports, Indoor Rowing, Badminton, Trampolining and Sports Leaders. We are hoping to introduce CTEC diploma in Sport and Physical activity in our co-ed Sixth Form from 2022 and encourage co-curricular activities across the two schools.

We value our staff and we work collaboratively to provide professional support, C.P.L. and the sharing of good practice across both The Green School for Girls and The Green School for Boys. Staff are involved in all aspects of school life and contribute to the ethos and co-curricular life of the school. This is an exciting time to join the Trust as it continues to grow a strong sixth form consortium offer across its schools.

To apply you should complete the TES application form and write a supporting statement explaining how your professional experience has prepared you for the role with reference to the person specification and job description.

Yours sincerely,

Mrs Sally Yarrow
CEO & Executive Headteacher
