

Welcome from the Headteacher

On behalf of St Michael's Church of England Academy, I would like to thank you for your interest in the post of Teaching Assistant.

We are situated in Crosby, which has good access to all areas of Merseyside and beyond, with the motorway network close by. There are also two Merseyrail stations, within a 20 minute walk of the school.

St Michael's is on an exciting journey. Our Christian Vision and Values underpin everything that we do, and I am driven to ensuring that every student at St Michael's can flourish and be their very best. I am passionate about building a strong community, where high aspirations and high standards are expected for all. I am looking forward to St Michael's being the school of choice in the local community and beyond.

We are now part of the All Saints Multi Academy Trust and you will enjoy all the benefits that this will bring. We have an exciting staff Personal Development programme led by Dr Haili Hughes.

We are pleased to announce an exciting opportunity in our fantastic Academy. Our community is diverse: academically, socially, and culturally, and it is this diversity which makes it such a special place to work. It is truly an exciting place to be.

We are seeking to appoint a creative, committed, enthusiastic Teaching Assistant. You will be excited by a new challenge and will have the support of myself and all the staff at St Michael's in your role. You will help us drive change and create a happy and safe place for learning together and achieving ambitious objectives. You will be driven by a desire to serve our community and young people. If you feel that your values and ambitions align with ours, and you believe that you can support our journey to deliver our vision, we would love to hear from you.

Yours faithfully,

Roy Bellmon
Headteacher
