| Person reports to: | Head of Faculty: Maths and Computing |
|--------------------|---|
| Person supervises: | • none |
| Purpose of Job: | Carry out the professional duties of a school teacher, as set out in the current School Teachers' Pay and Conditions Document (STPCD). |
| | To be accountable for the raising of student attainment, their achievement and progress in Maths and key stage and in your own classes. |
| | To develop an exciting, challenging and relevant learning experience for all students. |
| | Develop teaching and learning of Maths within the Faculty. |
| | To be accountable for promoting and safeguarding students' welfare and personal development as part of a faculty and whole school approach. |

MAIN DUTIES AND RESPONSIBILITIES

1. Strategic direction, development and accountability for the curriculum area

- To follow school policies and procedures as laid down in the staff handbook by the Headteacher or his Deputies from time to time.
- To be a member of a duty team. To carry out supervision of students at break time, at the end
 of school and at the beginning of morning and afternoon school.
- To attend meetings on a regular cycle as agreed within the school calendar and to attend
 parents' evenings and other occasions as the Headteacher may reasonably require from time
 to time within 'directed time'.
- To uphold agreed standards of dress, behaviour and discipline around the school.
- To take part in the school's Performance Management programme and its support, supervision, monitoring and review procedures.
- To act as form tutor or co-tutor.
- To teach the tutor group the PSHE Scheme of Work and participate in reviewing and evaluating the scheme.
- To fulfil any other related teaching duties which the Headteacher may reasonably require from time to time.

2. Learning and Teaching

- To ensure high quality teaching and learning to raise students' attainment and wider achievement understood as the primary responsibility of all staff in the faculty.
- To teach Key Stage 3 and GCSE Maths.
- To plan and implement effective lessons within an agreed departmental framework where learning objectives are made explicit to students.
- To ensure that high quality and effective homework is set regularly in line with the Department and School Homework Policy.
- To develop effective practice for marking and assessment, recording and reporting within an agreed department policy as part of a whole school approach.
- To develop effective teaching and learning resources which cater for the full ability range and share these with colleagues.
- To develop the active use of ICT within your Maths teaching in line with Department and whole school approaches.
- To plan and implement specific curriculum initiatives and development as part of a team approach, within an equal opportunities framework after negotiation with the Heads of Department and Head of Faculty.
- To deliver positive behaviour management strategies in your classroom based on praise and reward, to promote learning and in accordance with the Faculty Policy.
- To develop Maths contribution towards students' personal and social development as part of a whole school approach.
- To work in partnership with the Learning Support and EAL Department to support the needs of identified students to access the curriculum.
- To maintain a classroom environment offering a welcoming and supportive atmosphere to students including displays of students work as laid down in the school policy.
- To take responsibility for the deployment and security of resources for Maths under the overall management of the Head of Faculty – Maths.
- To promote Maths as an extra-curricular activity, within the general life of the school.
- To ensure that all aspects of your Maths teaching have due regard to and promote equal opportunities practice.
- To ensure that high standards of health and safety are maintained at all times within your teaching.

3. SCHOOL ETHOS

- Play a full part in the life of the school community, to support its distinctive mission and ethos and encourage and ensure staff and students follow this example
- To support the school in meeting its legal requirements for worship.
- Comply with the school's health and safety policy and undertake risk assessments as appropriate.
- Work within the framework of the school ethos, adhering to the Code of Conduct for staff at all times.
- To maintain high standards of professional behaviour and presentation.
- Any other duties commensurate with the grade which may be required from time to time.
- All staff are expected to take part in necessary training and staff development.
- To contribute to the broader life of the school, including through active involvement in enrichment activities and supporting the House system.
- To undertake any other duty as specified by STPCB not mentioned in the above.

Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task undertaken may not be identified

The School reserves the right to alter the content of this Job Description, after consultation, to reflect changes to the job or services provided, without altering the general character or level of responsibility.

These duties may be varied at the discretion of the Headteacher or Governing Body from time to time, to address the changing needs of the school and the development of the role.

EQUALITY AND DIVERSITY

We are committed to and champion equality and diversity in all aspects of employment within the London Borough of Newham. All employees are expected to understand and promote equality and diversity in the course of their work.

SAFEGUARDING CHILDREN

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment and uphold all relevant procedures.
