UTC Sheffield Academy Trust provides a new and dynamic education. We opened our City Centre site in September 2013 specialising in Engineering and Creative & Digital Media and then opened our second UTC on the exciting new Olympic Legacy Park in Sheffield in September 2016 offering opportunities for students in Health Science, Computing and Sports Science. UTC Derby Pride Park joined the Trust in December 2019 offering Engineering and Health & Life Sciences. All 3 UTCs in the Trust are judged as 'Good' by Ofsted.

We aim to deliver an outstanding educational experience grounded in real, relevant workplace practice. Partnerships with world-class companies, schools, colleges and universities give our students a unique start to their future careers. We provide training today for the jobs of tomorrow. Our cutting-edge facilities and engagement with employers' / university partners provides an exciting environment in which to teach and develop professionally. Our destinations are testament to our success with students progressing to Russell Group Universities including Cambridge and securing higher level apprenticeships and employment at companies including McLaren, Boeing, Toyota, Bauer Media, BP and the Royal Navy.

We are currently looking to appoint a permanent, full-time Science Technician to join our support staff team at our Sheffield city centre site.

The main task of the Science Technician is to support and provide materials and resources for staff to ensure the delivery of the curriculum, in a safe, timely and flexible manner.

You will be a highly skilled practitioner who understands the challenges of support services in a fast paced, student focused environment where conflicting demands are the norm. Effective communication and team working is absolutely critical to the UTC's success.

We are looking for engaging and inspirational individuals. Resilient, driven and focused who will help establish another pioneering institution at the heart of the Sheffield City Region and its communities.

The UTC Sheffield Academy Trust is sponsored by Sheffield Hallam University, The Sheffield College and Sheffield Chamber of Commerce and Industry.
