

Dear Applicant,

Our school is a very special place to us all and it is a place where we feel safe and happy. We think SMA is really special and we are very proud to be part of the SMA family. In our school, we have four core values: Truth, Fairness, Justice and Joy and we are all very proud to represent these values.

Our school is unique in many ways. For example, we have JIGSAW lessons every Friday afternoon when we have time to sit still, stay calm and think about ourselves and others.

We would really like our assemblies, especially our Celebration Assembly on a Friday, to stay as we love being together as a school and sharing our good news from the week. We are also very special because we have an Ethos Team who take a lead in assemblies and promote our school vision. In our classrooms and on the playground you can often hear laughter, which shows how much we enjoy being part of our SMA family.

We look forward to meeting you and welcoming you to our school family.

Yours sincerely,

Year 3 children of SMA

Truth

Fairness

Justice

Joy
