Letter from our Regional Principal, Caroline Gray

Thank you for taking the time to show an interest in OneSchool Global and our position of DT Teacher at our Biggleswade Campus.

Current research suggests that current 11-year-olds will have 38 jobs in their lifetime and 9 different careers. That 80% of the jobs they will have do not yet exist. That their working life will be 'project-based', built around collaborative and team-orientated assignments. That they will require a mindset of life-long learning as they transfer their abilities from one context to another, demonstrating agility, innovation and sophisticated communication skills.

We believe that it isn't good enough to prepare students for the future using traditional methods of teaching and learning, therefore we have built our schools to reflect the future, not the past. We passionately believe in self-directed learning, where our students spend much of their school day in purpose built learning centres, working collaboratively on ambitious and creative projects. Led by teachers (often taking the role as coach), and underpinned by the national curriculum, our students develop an incredible breadth of talents; we value professional and personal skills as highly as we value academic success. We celebrate it regularly too!

Our results speak for themselves - self-directed learning works. Our last two years have seen our students achieve the best GCSE results in our history and all of our schools are judged as Good or Outstanding. Furthermore, we are proud that OneSchool Global has been chosen by the OECD to participate and demonstrate our work in its 2030 'Future Education' initiative.

We look for teachers who are passionate about cutting-edge learning, and who understand and are excited by the use of technology within pedagogy. All of our staff are given 100 hours a year of professional development time through our purpose-built Teacher Academy and blended learning platforms. You will never feel unsupported, your continued development is hugely important to us, and our Campus and Regional Principals are always there to support you, as are our group of national leaders who will be your peers and colleagues as well as those at your own campus. We are a genuine team at OSG and lifelong learners ourselves.

If you like to embrace change and lead with agility, positivity, and energy we would like to talk to you. If you have a desire to discover new and sophisticated ways of bespoke teaching and learning, as well as kind and restorative approaches to pastoral care, we are for you. All of our decisions, both day-to-day and strategically, are made to make our students lives better; for them to be happy and engaged learners, better equipped and more confident for their future lives. If you find all of this as exciting as we do, please do keep reading. We're really looking forward to meeting you.

Best wishes

Caroline Gray - Regional Principal

Our Values

At OneSchool each student, parent and staff member shall uphold the values of the School which include:

- **Integrity** – uprightness, honesty and decorous conduct, governed by the Holy Bible,
- **Care & Compassion** - kindness, consideration, and generosity to all,
- **Respect** – for all people, property, opinions, and authority,
- **Responsibility** – for our actions, progress and the environment and,
- **Commitment** – to self-discipline and the pursuit of excellence.

Our Ethos

At OneSchool, we are committed to a culture where students are encouraged to develop their full potential and acquire the discipline of learning how to learn while upholding Christian teachings and beliefs.

The truth and authority of the Holy Bible and strong family values underpin the commitment of the School to provide quality in every facet of education – curriculum, teachers, facilities, management, and discipline – in a safe and caring environment.

The Plymouth Brethren Christian Church Community

OneSchool Global Schools share a close relationship with the Plymouth Brethren Christian Church. The School is strongly supported by volunteers from the Church Community.

OneSchool Global recruit professional teaching and administrative staff from all walks of life and provide a positive and respectful working environment. Our church community and professional staff enjoy a strong working relationship. The Plymouth Brethren Church was established in the early nineteenth century in Plymouth, southern England. The Church now has a community of over 50,000 members across Australia, New Zealand, Europe, the Americas, and the UK.

The Church Community refer to themselves as the “Brethren” because they are a close, tight-knit community of families held together by our shared Christian belief founded on the Holy Bible. That said, just like everyone else, church members live and work alongside people of the same faith, other faiths, and no faith.

The Church gathers daily in Gospel Halls to pray together and read from the Holy Bible. They also congregate every Sunday in Gospel Halls to celebrate the Lord’s Supper and to preach the Gospel. The men and women of the Plymouth Brethren Christian Church have shared values of community participation, ownership, and decision-making. Church members actively practice Christianity through service to their family, the Church, and local and global communities. Mutual Christian fellowship is an integral part of the Church’s way of life.

“a global education ecosystem that develops life-ready students who learn how to learn, and achieve.”
