HIGH SCHOOL

SUBJECT TEACHER

CANDIDATE INFORMATION PACK

Inspiring Learning

Dear Applicant,

I could not be more excited about Pinner High School, past, present and future. I have the best job in education: leading a new project with supportive local schools committed to sharing their expertise; an aspirational and involved community; a fabulous site, part way through a major refurbishment. The future is exceptionally bright.

I am now looking for more exceptional colleagues who can join me on this journey. Our opening two years were a great success, with very positive inspections from the Department for Education, the Harrow Academies Trust and independent consultants 'B11' noting that we 'have the model for an Outstanding school'. We were delighted to be featured in the Parliamentary Review 2017, showcasing best practice in education nationwide. At the end of our first year, parents, students and staff all rated us as 'Outstanding' in all categories. More important than all of that, we have happy students who are keen to learn, who have settled well into a busy and active secondary school life.

Whilst our opening has been extremely successful, new colleagues will need to lift us to new heights. As we grow from 500 to 1,162 students and complete our refurbishment programme you will ensure our students continue to make exceptional levels of progress and receive first class pastoral care, with access to the highest quality enrichment activities: everything that is involved on our school motto 'Inspiring Learning' that makes our school an excellent, inclusive one for the whole community.

Whilst setting up Pinner High School is immensely rewarding, establishing a new school is certainly challenging. Before opening I created a uniform, met with our local Councillors and Member of Parliament, selected the type of flush mechanism for the toilets, and developed expertise in drainage solutions for DT classrooms. Now open, the school feels more familiar, but a role at Pinner High School is a varied one that will expand your professional horizons. Our first group of students are our trailblazers, and new colleagues will need the same pioneering mindset.

I am well aware that no matter how strong the foundations, an organisation is only as good as its people. The Pinner High School that we build together is one where colleagues are valued for the contributions they make to the lives of the young people we serve, and are recognised for the opportunities they provide for our students. Over 600 people have applied to work at the school since it was proposed, and I have exceptionally talented and hardworking colleagues. We achieved the Investors in People Health and Wellbeing Award in our first year of opening, and new members of staff will share a commitment to a healthy work-life balance.

If Pinner High School sounds like it is right for you, complete the application form in full and submit a personal statement, of no more than two sides of A4. In your personal statement explain why you want to work with us and why you are the best person for the role. Applications must be emailed to careers@pinnerhighschool.org. Please include your name and the post you are applying for in the subject line of the email and in the file name with which you save your application.

I look forward to hearing from you.
