

January 2018

Dear Colleague

SCIENCE TEACHER

We are pleased to offer a great opportunity for a well-qualified, effective and enthusiastic specialist in Science to join us from September 2018. We hope you will be attracted to apply to work in our friendly, inclusive, orderly and thriving school community, where we believe in pursuing 'excellence for all' in all that we do.

Erasmus Darwin Academy is a highly successful and heavily over-subscribed school. In 2017, GCSE performance was significantly above national benchmarks, according to key attainment and progress measures, which consolidated our position as one of the highest performing schools in Staffordshire. Our A level performance was also very strong in terms of both attainment and progress.

We gained 'Good' in our 2014 Ofsted inspection and as part of the Local Authority's quality assurance strategy, we have been granted Category 1 status, which is the highest category of school performance.

We expect the successful candidate to have the necessary knowledge and skills to teach Science from Year 7 to GCSE and A Level teaching is available for suitably qualified and experienced teachers. We welcome applicants from any Science specialism (Biology, Chemistry or Physics). However, the ability to teach all Science specialisms to GCSE standard is expected.

We invite applications from excellent classroom practitioners who can motivate, engage and inspire our students and work collaboratively with colleagues. We offer a very positive school culture, excellent opportunities for further professional development and strong support from the Faculty Leaders, Lead Teacher and the Senior Leadership Team.

We are also willing to embrace new ideas regarding extra-curricular STEM activities which could be offered by the Science department.

Salary: Pay range between £22,916 and £38,633 pa according to the Academy Pay Policy.

The application process is a straight-forward one. If, having read the information with the letter and visited our website at www.erasmusdarwinacademy.co.uk you feel you would like to apply, please:

- Complete and return the application form. You may either post or email this to Debbie Westwood (Principal's PA), email d.westwood@eda.staffs.sch.uk.
- Add a supporting statement, setting out why you would like to join us and what you have to offer that makes you a strong candidate for this particular post.
