

We are seeking to appoint experienced Advanced Teaching Assistants to support learning, teaching and the progress of targeted students. The successful candidate will possess excellent literacy, numeracy and ICT skills; the ability to communicate effectively; the ability to establish and maintain effective working relationships; show initiative and accept guidance.

A specialism in English, Mathematics, Science or Humanities, preferably to degree level, is desirable, but not essential. Previous experience of delivering interventions to SEND students is also desirable. A willingness to undertake specific training in working with students to develop expertise and specialist skills is also a requirement of this post.

The diversity of the school community ensures that Bow is a vibrant and interesting place to work.

Bow School is committed to safeguarding and promoting the welfare of our students and expects all staff and volunteers to share this commitment.

This post is subject to an Enhanced Disclosure and the successful applicant will be subject to relevant vetting checks before an offer of appointment is confirmed and will be subject to rechecking thereafter, as appropriate.

We Offer

- A well established and comprehensive mentor programme
- A strong personalised programme of professional development and coaching for teachers and support staff
- Strong links with other local schools for partnership working and support
- A strong community spirit
- Employee Assistance Programme
- Cycle to Work Scheme
