# THE LATYMER SCHOOL

Founded 1624

---

## Appointment Details

The Latymer School, Edmonton

**Job title:** Headteacher

**Closing date:** Monday 29<sup>th</sup> January 2024

**Salary:** Competitive based on experience, support with removal expenses for an out of area candidate will be considered.

The Latymer School is a high achieving, selective grammar school with a great tradition of success. We aim to provide a first-class education for all students and are clearly committed to developing students' intellectual abilities and celebrating academic achievement. We have a very diverse student community, and the multi-cultural ethos of the school is a strength. Our mission is to develop lively, inquiring minds and aid young people to reach their full potential. We aspire to send all young people into the increasingly interconnected world with the relevant knowledge and wide range of skills necessary to succeed.

Due to the planned retirement of our existing Headteacher we are now seeking an inspirational leader with a strong personal commitment to education. This person will bring a professional openness, curiosity and interest in research and evidence that informs their approach to the delivery of our central mission and vision. With a track record of driving school improvement, they will build on the academic excellence for which The Latymer School is known, whilst ensuring a continued breadth of co-curricular opportunities that supports the development of our students as well-rounded, balanced individuals.

For further information about the role and The Latymer School please visit the school [website](#). For details on how to apply, please review the Candidate Pack and click [here](#).

Alternatively for more information or to arrange a visit to the school please email Jackie Today, Head's PA, [sdyj@latymer.co.uk](mailto:sdyj@latymer.co.uk) (020 8807 4037)

Applications should be received by noon on **Monday 29<sup>th</sup> January 2024**.

*"Latymer School provides pupils with high-quality education. Pupils are supported to aim high and achieve well"*
