THE HISTORY OF MARLBOROUGH COLLEGE MALAYSIA

Marlborough College Malaysia is unique.

It continues the pioneering spirit of its mother School, Marlborough College in Wiltshire, by being a close, values-led and enormously successful and happy community. It was established in 2012 as a genuine extension of Marlborough College in the UK and not a franchise. It therefore shares values, philosophy and personnel with the UK and draws upon the very best traditions of one of the finest British boarding schools, while adding an exciting and real international dimension in our spectacular setting just eight miles from Singapore on the tip of the Iskandar peninsula.

THE COLLEGE

There is something genuinely special about Marlborough College in Malaysia. Those fortunate enough to work here all agree that our greatest joy, attribute, advert and reward are the girls and boys who form the College. They provide daily inspiration, a model of what wider society could be like and genuine optimism for the future.

We live and work in a safe and spacious 90 acre campus in southern Malaysia, reminiscent of the generous grounds and playing fields of Marlborough College in the UK. Guided by our principles of compassion, companionship and conversation, Marlborough College Malaysia gives its boys and girls the space, inspiration and courage to explore their own potential, the wonders of our world and their responsibilities to it and to each other.

With our shared DNA and close links with Marlborough UK, we value and instil breadth of experience, intellectual rigour, creative joy and sporting excellence. Many of our children take the opportunity to develop independence and inter-reliance within the security and care of our outstanding boarding community.

Our motto is Deus Dat Incrementum – “God gives the increase” – a reminder that we achieve with pride, but humility. At Marlborough College Malaysia our young people learn that theirs is a duty to continue to make the world a better place; we give them the skills to lead that mission and the life-long support and friendship of our world-wide Old Marlburian network.

The College is arranged in a Prep School (3-13) and a Senior School (14-18) and it currently has 935 pupils, around 530 of whom are in the Prep and 140

of whom are in the Sixth Form. Pupils from the age of nine may choose to board and approximately a third of those who are eligible do so, with almost half of the Senior School and most of the Sixth Form boarding.

While very British in ethos and with a Common Room largely drawn from some of the UK's leading schools, the College is also truly international, celebrating diversity and a global outlook with children representing over 45 nationalities. Around half of our pupils are from expatriate families.

While academic achievement lies at the heart of what we do, we believe that all of our children have something to offer and much to gain in addition to intellectual development, so we are driven by a desire to find areas where each of them can learn and grow beyond the classroom. Every week we offer an extensive range of co-curricular activities, which are all part of a rich, broad and balanced programme to develop not just the mind, but also confidence, empathy, leadership and a sense of altruism.

The College is very well-resourced and enjoys an enviable reputation for its pupils' achievements on a broad variety of fronts. It is one of the few school in Asia to achieve membership of HMC, an association of the world's leading independent schools and it is the Boarding Schools' Association's Asian training hub.

THE SENIOR SCHOOL

The Senior School caters for Year 9 to Year 13 (age 13 to 18). Academically, the UK National Curriculum is broadly followed to ensure an optimal combination of breadth and specialisation through the IGCSE curriculum (to Year 11); and the International Baccalaureate (to Year 13). Pupils pursue tailored programmes designed to stimulate, challenge and support them in discovering and developing their talents in a variety of areas. A wide range of academic extension and enrichment activities – whether through societies, lectures, theatre trips, museum and gallery visits, debates, poetry readings, conferences and concerts – create a full co-curriculum, which recognises that qualifications alone do not produce well-rounded individuals. Time is allowed in the curriculum for co-curricular activities, and the timetable may be suspended or modified to allow activities to occur, such as sports fixtures and subject-specific day trips.

The vast majority of teachers here are British trained, and there is an impressive range of academic subjects. Our internationally recognised IB and IGCSE results are excellent, demonstrating impressive added value. The exceptional facilities promote the remarkable range and quality of the arts, to complement the variety of high-class sport offered on the vast campus. Finally, our pupils are receptive, inclusive and respectful, with an enormously friendly, helpful spirit displayed throughout the year groups.

THE POSITION

The Master is seeking a well-qualified and enthusiastic Teacher of Mandarin to join our established teaching team at Marlborough College Malaysia.

The successful applicant will join an existing team of Mandarin teachers, providing IGCSE and IB Diploma qualifications and teaching pupils from Years 9 to 13. The successful applicant would be able to teach across Years 9 to Sixth Form and may be asked to teach some lessons to senior pupils in the Preparatory (junior) School. The position will be for one year initially, with the possibility of retention.

THE DEPARTMENT

Mandarin is an important subject in the College and most pupils study it in some form either as a first or second language. It is a popular and successful choice at IGCSE and IB Diploma level. Public examination results in recent years have been outstanding and our excellent IB Diploma Programme results this year averaged over 35 points, compared to the world average of 29 points. A quarter of MCM our pupils gained 40 points or more, compared to the global average of 5% and they are typically awarded places at many of the great universities around the world.

LIFESTYLE

Staff at Marlborough College Malaysia enjoy an exceptional lifestyle.

The climate is warm, stable and constant without the extremes of heat that are common in some parts of the world. Rainfall is typically heavy and brief, providing a lush landscape.

Marlborough is at heart a community and the Common Room is very collegial and mutually supportive. Staff enjoy an impressive range of weekly Common Room sports, wellbeing and social activities.

The immediate area is developing quickly and has attracted great overseas investment in quality housing, infrastructure and education with a number of British university campuses now within minutes of the College.

Malaysia's cost of living is significantly lower than that of the UK and most teachers here enjoy regular travel during holidays and even on our 3-day Exeat long weekends to such places as Bali, Vietnam, Thailand and Western Australia.

For long-haul travel, Changi in Singapore was recently hailed as the best airport in the world. However, for regional travel, Senai Airport is close to the College and carriers offer exceptionally reasonable prices which mean, that what might be the holidays of a lifetime, can become regular trips.

Malaysia itself is full of variety from perfect tropical islands to cool, hilly tea plantations; from historic colonial architecture to towering 21st century skylines. Its national ethnic mixture of Malay, Chinese and Indian make for

a fascinating culture and superb cuisine.

The College is just eight miles from the magnificent island city-state of Singapore with its fashionable retail temptations and its many attractions which now include the world-famous Gardens by the Bay, the Marina Bay Sands complex and F1's only night time Grand Prix which becomes a weekend-long festival each September.

The official language of Malaysia is Bahasa Malaysia which is probably the simplest Asian language to understand and learn, but English is spoken almost universally and is the main language of Singapore.
