At **Oldham College**, we value and enable people by creating a space where everyone belongs and thrives earning trust and respect of the communities that we serve. We expect all colleagues to enable this, embedding and demonstrating the college values, by being **Respectful, Collaborative, Innovative, Aspirational and Inclusive**.

Role Purpose

Our Programme Tutors deliver teaching, learning, and assessment that meets required quality standards and enables all students, including those with special educational needs and disabilities (SEND), to achieve their potential and progress successfully. The role supports the College’s purpose of empowering potential and achieving success.

Key Responsibilities

- Deliver teaching, learning, and assessment in line with College, awarding body, and regulatory requirements, supporting student progress, achievement, and positive outcomes.
- Plan and deliver inclusive learning that meets the needs of students with SEND, using effective differentiation, reasonable adjustments, and agreed support strategies.
- Set clear targets and provide timely, accurate feedback that supports learner progress and achievement.
- Monitor student attendance, engagement, progress, and achievement, taking appropriate action where concerns are identified.
- Maintain accurate learner records, including assessment, progress, and support documentation, in line with quality and compliance requirements.
- Maintain professional, teaching, and vocational currency through continuous professional development.
- Actively promote safeguarding and equality, identifying and escalating concerns in line with College procedures.
- Work collaboratively with colleagues to deliver consistent standards of teaching, learning, and assessment across programmes.
- Participate in standardisation, internal verification, peer review, and other quality assurance activities as required.
- Share good practice and contribute to professional dialogue and quality improvement activities within and across curriculum areas.
- Work effectively with support staff and specialist teams, including SEND and student services, to support individual learner needs.

- Use learning environments, resources, systems, and digital platforms effectively to support high-quality delivery, quality assurance processes, and compliance with College requirements.
- Contribute to activities that support learner progression, transition, and destination outcomes where appropriate.

General Responsibilities

- Act as a positive role model for students, colleagues, and stakeholders, supporting the College's vision of investing in futures and its purpose of empowering potential and achieving success.
- Work in accordance with the College's policies, procedures, regulations, and codes of conduct at all times.
- Contribute to the delivery of College strategic priorities and continuous improvement objectives.
- Undertake duties appropriate to the role and grade, as reasonably required to meet service needs.
- Take responsibility for ongoing professional and vocational development, actively participating in appraisal, training, and development activities.
- Work flexibly to support College operations, which may include evenings, open days, or weekends, depending on the role.
- Actively promote and uphold the safeguarding of children, young people, and vulnerable adults by following College procedures, completing required training, and raising concerns appropriately in line with statutory requirements.
