An inspiring world of education

WELCOME

El Limonar International School Murcia (ELIS Murcia), part of the Cognita Schools Group, with 820 students between 3 – 18 years, is a dynamic learning community. ELIS Murcia is a growing school committed to continuous improvement of all aspects of school life; CPD to ensure high-quality learning experiences for our students; and a positive work-life balance for our staff.

ELIS Murcia is one of the very best international schools in terms of external examination results with recognition year after year as one of the top schools in Spain through the prestigious *El Mundo* ranking. Furthermore, ELIS Murcia has been named the **Cognita Europe School of the Year** for two consecutive years, 2022 and 2023, and was also awarded Cognita Europe **Great Place to Work** in 2022.

Students graduate from ELIS Murcia with proficiency in three languages. Around 80% of our graduates go onto further education within Spain, with the remaining 20% taking up offers in the UK and other international destinations. As well as our focus on academic excellence, we are committed to fostering positive relationships that allow our learners to develop all the necessary skills to become the bold and resilient leaders of tomorrow.

ELIS Murcia offers a programme based on the National Curriculum for England and Wales, IGCSE and IAL Level courses, as well as the Spanish Baccalaureate programme. ELIS Murcia is authorised by the British Council to run as a British curriculum school in Spain through inspection by NIS, the National Association of British Schools in Spain (NABSS) Inspection Service. Furthermore, ELIS Murcia is recognised by the Spanish Ministry of Education and is an approved examining centre for Cambridge International Examinations, Pearson Edexcel and AQA examinations.

Committed to improving our performance in all areas of school life, over recent years ELIS Murcia undertook the process of obtaining the world-class Council of International Schools (CIS) Accreditation: Membership to CIS was granted in May 2021, and full Accreditation was achieved in February 2023. As such, ELIS Murcia has become **only the third school in the whole of Spain** with this accolade, and the first school in Cognita Europe to be CIS accredited.

ELIS Murcia has expanded rapidly over recent years, and in September 2020 we opened a state-of-the-art Secondary and Sixth Form school campus at the *Montevida* residential development, adjacent to the Infant and Primary *Buenavista* campus, for an additional 400+ students. This new school campus is by far the most modern and innovative educational facility in the Region and keeps ELIS Murcia very much where it belongs: at the vanguard of educational provision in Spain.

LIVING & WORKING IN MURCIA

Most professionals who come to the Region of Murcia choose to stay as it offers a superb quality of life with wonderful weather, culture, sport, food and people (something for everyone!). It is a great base from which to explore southern Spain and with two international airports in close proximity to the school, it is an excellent place for both cheap travel to and from the UK and for exploring the rest of Europe and North Africa. Candidates should do their own research, but it should be remembered that the cost of living in Murcia is significantly below that of the UK or northern Europe (at around 80% of the UK average).

The school follows the academic year calendar from September to June as published by the Spanish Ministry of Education. For teaching staff, there are normally just over two weeks' holiday at Christmas, two weeks at Easter and nine weeks in the summer. It should be noted that although there are many 'bank holidays' in Spain, there are no long half-term holiday periods like in the UK education system.

The school day runs from 9.00am to 4.30pm, with staff meetings and extra-curricular activities after school. There are seven teaching periods of between 50 and 60 minutes each day, depending on the Key Stage and campus. The maximum teaching load for a class teacher is up to 27 classes a week out of 35, although most teach less. Staff also stay in school for a one hour long meeting each week as well as between two and three 10-minute morning briefings per week. Up to three times a term they stay for an additional two hours for parents' meetings or whole-school staff meetings.

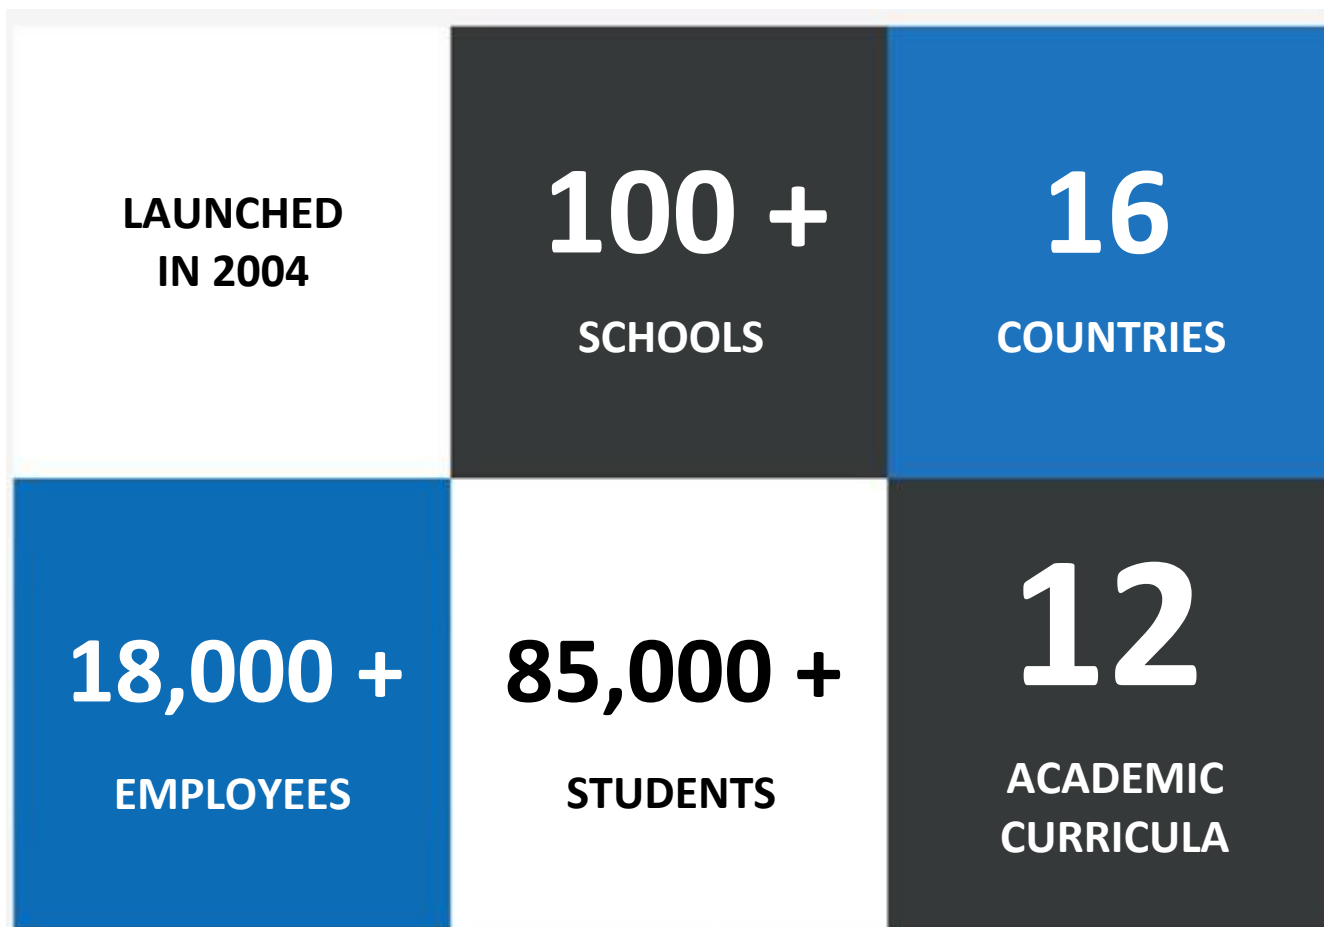

We offer a competitive salary and 100% remission for staff children on tuition fees for staff on 0.75+ FTE contracts.
