

The Ashcombe School

CANDIDATE INFORMATION 2026

WELCOME TO OUR SCHOOL

A Message from the Headteacher

Thank you for being interested in The Ashcombe School – we want to attract and retain the best people with the most potential and in return offer a stimulating and worthwhile environment and great opportunity.

The Ashcombe School is a genuinely comprehensive school with high academic standards for all, a strong and caring pastoral system, and a wide range of extracurricular activities aimed at preparing and enabling young people to lead fulfilled lives.

We are very proud of our students and what the school can help them achieve, and are not only ambitious for our students but for our staff as well - this is an exciting opportunity to join a widely recognised, friendly, welcoming and supportive team and to take advantage of the many developmental and other opportunities we provide.

I hope that this pack will give you a positive and meaningful insight into the life of The Ashcombe School and that you will take the opportunity to join us online and visit to experience it for yourselves. I am very much looking forward to meeting and working with you.

A handwritten signature in black ink, appearing to read 'CP' followed by a stylized surname.

Chris Panting

About The Ashcombe School

Overview

The Ashcombe School is a high-achieving genuinely comprehensive school with a very successful Sixth Form and is a vibrant and inspiring place to work. We continually look to support exceptional pastoral care, high levels of attainment across the ability range and provide an enviable range of extracurricular activities to prepare and enable young people to lead fulfilled lives.

Ethos

The core elements of our ethos are focused on providing a caring environment that enables every individual within the school to realise their potential:

- We are a fully inclusive school that focuses equally on students of all ability levels.
- We provide a calm and welcoming environment with a significant emphasis on pastoral care.
- Our community is based on mutual respect and high quality teacher-student relationships.
- We encourage a culture of self-betterment for all who work at the school, with high quality training and development opportunities for all staff.
- The school operates a no-blame culture that emphasises the importance of collaboration and mutual support.

We strive to create well-rounded individuals, believing that great education is about much more than the lessons we deliver in the classroom.

What we do every day

- Curiosity and challenge
- Compassion and decency
- Consistency
- Courage

"The school has an ethos which matters"

About The Ashcombe School

Structure

With almost 1500 students, including 290 in the Sixth Form, and over 170 teaching and support staff, the school is at the heart of the community in Dorking, and benefits from a spacious and attractive setting at the foot of Box Hill.

Our key successes include:

- High value-added scores across the full breadth of subjects and ability ranges
- A long tradition of students gaining places at Oxbridge and Russell Group Universities
- A student-centred approach for pastoral care and careers support
- A thriving Sixth Form, encouraging a wide intake where we believe students have the ability to succeed at A Level
- Many high-quality events which link students, staff and the whole community.

Our most recent OFSTED in May 2024 highlighted the continuing strengths of the school for staff and students - they said: ***"Staff are proud to work here, and there is a great sense of teamwork. Leaders take exceptional care of staff well-being and workload, enabling staff to concentrate on continuing to develop the education the school offers."***

We are part of a small independent Multi-Academy Trust (South East Surrey Schools Education Trust - 'SESSET') comprising three secondary schools: The Ashcombe School, Therfield School in Leatherhead and Carrington School in Redhill. The Trust was established in 2017 and allows the schools to benefit from an overarching supportive umbrella whilst still retaining their unique character and ethos.

"Vision for an academic curriculum, supported by high quality teaching and learning...is shared by all staff at the school"

About The Ashcombe School

Our core aims

The school is highly regarded and oversubscribed as a direct result of its outlook, approach and values as demonstrated by its academic results, standards of teaching and outstanding pastoral care. The four strands which inform teaching and learning for staff and students are:

- **Learning knowledge - Curriculum and its delivery**

We will provide all students with an inspiring and ambitious curriculum that equips every student with the knowledge and skills to flourish. .

- **Learning to develop my own story - Strong relationships and community**

We will provide an inclusive community which allows all members to feel safe and supported. This is underpinned by decency, compassion, and humility. Every child matters - there is an adult for everyone, and everyone is noticed.

- **Learning about others - School is more than the classroom**

We will educate beyond the classroom, to develop resilient, creative, and life-ready citizens with a strong sense of social responsibility, leadership, a sense of curiosity, adventure and a global perspective.

- **Learning for the next chapter - Preparation for life after school**

We will provide expert career and life guidance, so our students make informed decisions about their futures which facilitate their transition to life beyond the school.

"A society grows great when people plant trees in whose shade they know they shall never sit"

What We Offer

A Strong Culture of Self-Betterment

We believe that great training is always at the heart of an effective school and recognise that investing in staff development helps us to remain open to innovation, and directly improves the offer to our students and enables our staff to grow. The whole-school coordinated CPD programme is led by an experienced middle leader. The highly successful ECT programme is led by a group of experienced mentors and a coaching programme is offered to all staff. Staff are actively encouraged to engage in leadership courses, which sit alongside less formal groups such as a group discussing emerging pedagogy, as well as teaching and learning discussion workshops. Ideas and feedback are encouraged through many different channels, including direct access to the Headteacher who maintains an open door policy.

A Friendly and Welcoming Teaching Community

We pride ourselves on treating people well and this was identified by Ofsted in May 2024 which noted that “Staff at all levels feel supported, including teachers in the early stages of their careers”. We offer a genuinely warm and welcoming environment at all levels and there is real support from Leadership staff who are visible around the school at all times.

A Beautiful and Well-Connected Location

In the foothills of the North Downs, the school is within walking distance of some of the most beautiful countryside in Surrey, including direct access to Box Hill and Denbies Vineyard – the surroundings are used by the school for sports lessons, sponsored walks and Duke of Edinburgh practices. There are excellent rail links to London, Brighton, Guildford, Reading, Horsham, Reigate and Redhill, along with access to the major road networks via the A24, A25 and the M25 which is just 5 miles away. Dorking is a thriving town with excellent sports and leisure facilities, entertainment venues and a wide range of food and retail outlets.

“the school is an inclusive place where difference is celebrated”

 - New staff induction programme.
-

“a caring school community”

Why we love The Ashcombe

Geography and
Criminology
Teacher

I'm Lucy and I joined The Ashcombe School in September 2025 as a Teacher of Geography and Criminology. I started my teaching career down in Sussex and was keen for a new challenge, particularly KS5 teaching. I've really enjoyed developing my professional skills, and I have felt completely supported throughout. The staff at the Ashcombe have made the transition seamless and I have felt part of the school community from day one. The students have also made my experience so positive; they are engaged and proud of their school. This is something I have really noticed in the classroom and is unique to the school. The opportunities beyond the classroom are also excellent. As part of my department, we have international trips along with UK trips to bring the curriculum to life. Along with this, the extra-curricular provision is outstanding. This ranges from after-school clubs to international excursions such as Tanzania. I feel the school prides itself on kindness, transparency and warmth - something I noticed from the very start of my time here.

Head of Year 7

I'm Michael and joined The Ashcombe in September 2023 as Teacher in charge of Media, also teaching English. Having taught in schools nearer to London, I was looking for a location that offered community and a balance of family life. The Ashcombe School is at the heart of the community in Dorking and, despite its size, the strong pastoral provision has confirmed to me that every student is known and that kindness is at the forefront of the education available. I am currently working as Head of Year 7 and have had opportunities to contribute to both pastoral and curriculum development, as well as to participate in high-quality professional development, which has supported my practice and involvement in the wider life of the school. I have felt warmly welcomed to the great range of school events that are on offer, including the Careers Fair, Christmas Fair, We will rock you production, Christmas Carols, several residential trips and visits to the West End. The calendar this term has been full of activities beyond the classroom for all students. Staff and students are given many opportunities to challenge themselves and develop, and the school is truly open to feedback and review. When I walk around the school, I see warmth, kindness and authenticity.

Physics Teacher

I'm Deirdre and I joined the Science Department in September 2022 as a Physics teacher, after qualifying and spending 5 years in another Surrey school. I was ready for a change but what made the biggest impression on me was when our Headteacher hosted a Zoom call to introduce us to Ashcombe before I even applied - it was so personal and I could appreciate the ethos of decency at The Ashcombe straightaway. I have found this ethos being embodied every day among the staff I have met. I enjoy being an ECT mentor, and planned a Year 12 to CERN in Switzerland next year - I've found my ideas are encouraged and enabled. Oh, and a 4-period day is a definite planning plus! From an international IT career to now, what keeps me loving my work is that **every day I find joy and reward in supporting our wonderful students whilst also feeling supported by my colleagues and leadership team.**

Our staff say :

- a culture of community where students and staff feel supported
- a safe and calm learning environment
- camaraderie and shared dedication amongst staff
- compassion and support
- strong student/staff relationships
- education is holistic
- collaboration between staff and students, shared ambitions and high aspirations
- staff feel listened to
- culture of openness, trust and support
- caring about individual students
- understanding, friendly and caring environment
- **the warmth of the school towards the students - it's tangible!**

We hope this has given you an understanding of some of the key features of The Ashcombe School and why we believe it is such a special place to work - at the heart of the community and with a wonderful ethos.

Come and join us!

Job Profile – Teaching Assistant

Introduction

At the Ashcombe School in Dorking, we are a friendly, ambitious secondary school with a strong community feel. We help every student grow academically and personally – and we support every member of staff to develop too.

When you join the Ashcombe, you will be working as part of a lively, well-managed and successful SEND team, as well as the wider collective. This position is ideal for someone with commitment, versatility and enthusiasm.

Through assisting in the provision of students' individual needs and supporting the delivery of interesting and stimulating lessons, you will be part of creating a learning environment that encourages students to be successful in their subjects.

Whether you are considering a career in education or have a desire to use your transferrable skills within an education setting to make a positive impact in students' future, we welcome your application.

Previous experience within education is not an essential requirement. Full training and mentoring will be provided.

Working as a Teaching Assistant can offer many opportunities to progress within the sector. Some former Ashcombe Teaching Assistants have moved on to become Exams Officer, LEARN Support Officer, Teaching Assistant in Charge, Wellbeing Coordinator, Assistant Head and School Business Manager.

Salary

Based on 30 hours per week - SESSET 4 £18,070 - £19,684 p.a. (£25,437 to £27,710 FTE)

Contract

Up to 30 hours per week, term time only, fixed term to 31 August 2027

Responsible to

SENDCo

Person Specification – Teaching Assistant

In selecting candidates for interview and eventual selection, the school will be looking for candidates with relevant education, experience, job-related knowledge, aptitudes, and skills, and many of the personal qualities listed below. The school welcomes applications from candidates who consider they could meet most, if not all, the requirements listed.

Education, Training and Experience

- Some evidence of Further Education (e.g. A Level, college course etc.)
- GCSE English and Maths at Level 4 (Grade C) or above
- Working with teenagers (desirable)
- Working within a school (desirable)

Knowledge, Aptitude & Skills

- A keen interest in children as individuals, in how they learn, and in a collaborative approach to learning
- Knowledge or a keenness to develop knowledge of:
 - How students learn
 - Effective teaching strategies to support learning
 - Difficulties students can experience in learning
 - Use of diagnostic tests
 - Effective strategies to address the specific learning difficulties of individuals in school
- Commitment to developing knowledge of ICT skills (Word, Arbor)
- Able to work well with teachers
- Relate well to students of secondary school age on a one-to-one basis and in small groups
- Organisational skills for directing students in their learning
- Creative skills for producing resources

Personal Qualities

- Positive and solution focused
- Flexible, able to prioritise and manage time effectively
- Effective oral and written communication
- Reflective, approachable and have a sense of humour
- Able to work independently and as part of a team, establishing good working relationships with a wide range of people including students, parents, governors, and colleagues

Role & Responsibilities – Teaching Assistant

Role	Responsibility
Planning activities and resources	• Participate in the planning of a range of activities for a group or an individual • Prepare and adapt teaching materials, equipment etc. which facilitate the students' access to the curriculum • Ensure resources prepared are available to all staff through efficient storage, filing and retrieval systems.
Assisting in classroom management	• Assist in the preparation of the classroom, the reception of students, the organisation of materials and the checking and clearing of the classroom
Supporting students in the Supported Learning Centre/Inclusion and Internal Exclusion	• Assist in preparation of the room. • Provide emotional and academic support for students in this space, recognising the individual needs of the given students. • Support the behaviour expectations in both areas and follow the school guidance.
Giving individualised support to students	• Assist in meeting the students' needs for encouragement and reassurance. • Attend to students' personal requirements and physical care, encouraging independence at all times. • Ensure that the planned programme of activities is implemented, undertake specific tasks with individuals or small groups of students. • Take the initiative in assisting students with setting and reviewing their personal targets, carry out individual interviews.
Monitoring and recording progress of students	• Implement procedures for the monitoring, assessment (including carrying out relevant tests of literacy, spelling etc.) and recording of students' progress. • Contribute, where appropriate to any multi-disciplinary discussion of students' needs/progress and contribute to informal and annual reviews.
Ensuring professional understanding and personal development in SEND	• Participate in relevant staff development activities.

This is a description of the main responsibilities of the post at the date of issue. These may change over time as requirements and circumstances change. The person in post may also have to perform other duties as may be necessary from time to time and would be expected to undertake any reasonable task, as directed by their line manager.

Further information

To find out more about the post, please contact us and ask to speak to Joanna Marks (SENDCo) and visit our website [The Ashcombe School - Working Here](#) for information.

Chris Panting (Headteacher) will be giving an online presentation about the school and the role on Wednesday 01 July 2026 at 6.30pm. If you would like to attend, please email a request to hr@ashcombe.surrey.sch.uk.

How to Apply

To apply, please go to our website [The Ashcombe School - Working Here](#) to download and complete the Support Staff Application Form. Please send your completed version to hr@ashcombe.surrey.sch.uk.

The closing date for applications is **8.00am on Monday 06 July 2026**, but early application is advised as the school reserves the right to interview and appoint as applications are received and before the closing date.

Candidates selected for interview will be informed by email. We do not generally contact candidates who are not shortlisted.

Safeguarding

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Any successful applicant will be required to undertake an Enhanced Disclosure check by the Disclosure and Barring Service (DBS).

We will also carry out an online search about you for information that is publicly available online. This will include social media accounts you may hold. This will only be carried out on shortlisted candidates and before interview. This processing of data will be conducted under the legal basis of Article 6e public task in line with guidance laid out in para 21 of Keeping Children Safe in Education (KCSIE) 2022. Any data collected during this search will be retained in line with our retention schedule which is available on request.
