

September 2017

Dear Colleague,

Re: Science Technician – Grade E pts 13-19 – £16491 - £18746 pro rata
20-24 hours term time only – working times to be negotiated
Actual: 20 hours £7421 – 8436; 24 hours £8905 - £10123

Maidenhill is located just 4 miles from the M5 motorway. We are committed to the safeguarding of children and expect all staff to share this commitment. We are a small school and pride ourselves in knowing our students really well. As a small school we work closely together and have individual student achievement at the heart of everything we do.

We are seeking to appoint a motivated Science Technician to join our support staff team. Our support staff work extremely closely with the teaching staff to provide the very best educational experience that we can, for the young people in our school. We expect the highest possible standards from all our staff and our support staff take a full and active part in school life.

You will be a key part of our science team and will play an essential part in the daily life of the science department. You will have exceptional communication skills and will be flexible and reliable. You will be a self-starter with proven organisational and time management skills.

If you are interested in applying for the position and feel, having read the information about the department, the person specification and job description, that you have the skills to be successful in this post, please complete the application form and submit it with a covering letter to vacancies @maidenhill.gloucs.sch.uk, explaining how your experience to date has prepared you for this role by noon on **Monday 25th September** Interviews to be confirmed.

I look forward to reading your application,

Yours sincerely,

Pam Wilson
Head Teacher
