

What are the Benefits of Working for the Mosaic Learning Trust?

At the Mosaic Learning Trust, we understand that investing in our staff is the best investment for our students and offer a wide range of strategies to help our teachers and support staff to be highly effective in their roles. The Trust offers: -

Salary

We offer competitive salaries for teaching staff in line with the School Teachers Pay and Conditions Document. We also offer competitive salaries to school support staff on an incremental salary scheme, paid according to agreed pay grades using national spinal column points. Support staff receive an increment on 1st April each year, or when they have completed six months of service if appointed between October 1st and March 31st, until they reach the top of the band within their pay scale.

Pension

The Trust offers access to a substantial contributory pension scheme in line with the Teachers Pensions and Local Authorities.

Generous Holidays

Full year support staff have a statutory right to 28 days paid holiday a year including bank holidays, the Trusts' minimum entitlement for support staff is 35 days (including bank holidays) increasing to 40 days (including bank holidays) after 5 years' continuous local government service.

Wellbeing

We are committed to supporting the physical and mental wellbeing of our staff. We offer occupational health services, Schools Advisory Service (SAS) – wellbeing services, an employee assistance program, free flu vaccinations, eye care, discounted local gym memberships and we are a part of the cycle to work scheme.

Trust 'Inset Days'

The Trust offer additional Inset Days to give staff non-contact time for additional training, CPD, preparations, department time, leadership time etc.

Learning and Development

Learning and Development is essential to the success of the Trust and will help us meet our objectives and address the challenges we face over the coming years. This is an on-going process and one which should therefore be continuous throughout the year. There are many opportunities in the course of day-to-day work for learning and development to take place and service-specific training is provided appropriate to the needs of the job.

We also have an e-learning portal, through the National College which provides employees with access to a range of online courses and resources at a time that suits them, designed to help them enhance their professional development and refresh their learning, with new courses being added regularly.
