An introduction to Arnold Lodge

Located in the heart of Royal Leamington Spa, Arnold Lodge is a 4-18 Independent School in Warwickshire, which places the happiness of children at the heart of our curriculum. We believe that it is only when children are happy can they grow in confidence and become aspirational learners.

We believe that every child deserves the right to succeed in education whether they are aspiring for grade 9s or pushing to do the best they can. We deliver an outstanding education for the pupils in our care whether this is providing the highest levels of welfare, nurture and support or the academic quality of our GCSE results year-on-year. Our GCSE & A Level results are exceptional with significant value added for pupils. In this way, we focus on the progress of every child and have significant impact on the academic outcomes for pupils as reflected in our TES Independent School Awards 2020 shortlisting for Senior School of the year.

It is our aim to ensure that every pupil feels safe, happy and confident in school while developing the skills they need to be successful in the modern world. Alongside this, we set out to value every pupil for their strengths (and through our pastoral sessions help our pupils to know their own strengths) and support each pupil to make the most progress they can academically and socially. This will look different from pupil to pupil but the bottom line is the same; each child will fulfil their own potential, whatever that may be.

Arnold Lodge's Ethos

- > Every child in school should feel happy, safe and confident
- > Every child should have the opportunity to develop and be valued for their individual strengths
- > Every child should make the most academic and emotional progress they can in a supportive and positive environment
- > Every child should develop the skills they need to be successful in the future

We believe that children are worth more than a limited entrance examination and it is for this reason we select on a child's potential and the value we can add – not on tapered academic assessments. Every child who joins Arnold Lodge deserves the right to feel happy, safe and confident in school and to be able to make the most progress they can.

Though we are an academically selective school, academic study at Arnold Lodge is not about pressure, percentages and statistics; it's about the individual pupil and helping them to attain the very highest that they can. School is about so much more than classroom teaching, of course. Our approach continues in English and sport where pupils are encouraged to take part, gain experiences and to enjoy being active, creative and on the stage. Some of our pupils are outstanding artists or mathematicians and these skills are valued highly at Arnold Lodge. All of our pupils are encouraged to develop their leadership skills; from joining our Pupil Parliament, taking part in Duke of Edinburgh right the way to being selected Head Prefect, there are opportunities throughout the school for children to grow in confidence and find new interests and passions.

Arnold Lodge's Core Values

Arnold Lodge's Core Values of Honesty, Kindness and Hard Work support the school mission and ethos to create a wonderful school environment. These values apply to every member of the school community – adults should aspire to these as much as the children should. We are, after all, role models for the children. This seemingly simple triumvirate creates a powerful recipe for success in teaching, learning and the work place.

Our core values are central to the house system in school with each house representing a core value. Pupils, on entry to Arnold Lodge, take a short questionnaire to ascertain which of the core values is most akin to their personality and each member of staff will do the same (as well as also having the chance to earn points towards house competitions as well!).

For us, a child should not be judged by the things out of their control. A pupil doesn't decide to be the quickest runner nor do they decide to be the most talented mathematician. While we're proud of the exceptional achievements of the pupils at Arnold Lodge, we believe that we should value most the *choice* that a child makes to be hard working, the *choice* to be honest and the *choice* to be kind because it's only from these choices that success and achievements grow.

In this way, we expect exceptional things from all children because every *child* can choose to be honest, can choose to be hard working and can choose to be kind. By valuing the choices of pupils first and building an attitude to learning and an approach to school based on honesty, hard work and kindness, we can have high expectations for every pupil and all to be successful in their aspirations.

VERITAS

Live the school values; don't just talk about them

Embrace, don't resent, other opinions

Be honest with yourself first

Do the right thing at the right time

AMICUS

Forgive mistakes; we all make them

Respect everyone and their contribution

Smile. Help others smile, too

Be grateful for the kindness of others

DEDICAS

Always give your best

Be ready to put in the work that isn't seen

Inspire others by aspiring to be your best

Only expect from others what you are willing to put in
