Welcome from our CEO and Chair of Trustees

Growing confident learners through leading, learning and excelling together is the Trust's motto and the principles remain golden threads of the Trust's work.

The climate and culture of the Trust to thrive supports honest and 'safe' conversations which include challenge and reflection on future action. There are high levels of professional trust.

The uniqueness of each school is recognised to encourage innovation, empowerment and ownership from schools.

Our key approach to school improvement is through collaboration. Clearly defined systems, structures and expected outcomes provide a robust framework to work within. Schools are expected to be both givers and receivers of school improvement.

Leadership underpins everything we do and there is a commitment to grow future leaders. There is a wide range of opportunities for leaders to work together developing their own leadership skills and learning from others.

There is a rigorous approach to making sure standards and expectations are high for all children using quality first teaching. A common approach to pedagogical development creates a shared language which aids collaborative working. Our 6 Ambitions which are valuable for all but vital for our most vulnerable are adopted by all schools.

I am very proud of our schools and their commitment to ensure all our children thrive and achieve well. We want our children to be well prepared for the future ahead and to have the tools to experience success and happiness.

We welcome your application and an opportunity to discuss this exciting role in more detail.

Michele Marr, CEO and Peter Freeth, Chair of Trustees

Welcome

Thank you for your interest in our Ambition Lead roles. These are new roles which we have created as we are at an exciting time in our journey with school improvement. Foxford School has been growing in popularity and size since 2020 and we now need to expand our staffing in order to ensure that school improvement is embedded in all that we do and that we continue to provide our students in our school with the best possible educational opportunities and outcomes. We are currently rated as a Good school by Ofsted (December 2022) and we are committed to sustained improvement.

Foxford serves a richly diverse community in Coventry, with a high proportion of disadvantaged children who recognise that you can make a real difference to their lives. We are seeking 6 Ambition Leads who can build relationships with students and staff rapidly and make impact from day one. As a school we are building our success on our core values: having Pride, being Responsible, Independent, Determined and Responsible. Respect is a core value and one we are very proud about in our school. We place no limits on our aspirations for our students.

We are passionate about developing the most effective classroom practice and to offer our students a curriculum that inspires them as well as securing their futures beyond school. We want our students to be successful with their oracy, reading and learning.

This is an exciting time to join our staff with a balance of experience and expertise. The successful applicant will have the drive, integrity, resilience and capacity for sustained hard work, to lead the team to deliver consistently good outcomes within an evidence-informed and sustainable framework.

If you:

- Have a passion for educational excellence
- Are a strategic thinker who has experience of whole school improvement
- Have the talent to inspire, challenge and empower staff
- Have a solid grasp of progress management strategies for all students
- Are committed to our vision and values

I warmly welcome your application.

Alison Gallagher, Headteacher

Our School

Foxford School serves an area of north-east Coventry for students aged 11-18. We are an over-subscribed school with over 1000 students including a growing Sixth Form community. We were last inspected in December 2022 and were rated Good in all categories, by Ofsted, which all stakeholders were very proud about.

We have high aspirations for our students and want our students to succeed in their studies. We want our students to challenge themselves, own their learning, have good dialogue, as communication is key in their lives and to be engaged in their learning. Above all though we want our students to leave our school as well-rounded, lifelong learners and global citizens that are ready for sixth-form, college and beyond.

"Pupils enjoy attending this school. They are happy and polite. They are well prepared for the next stage in their education, training or employment. Pupils take part in a range of visits, sports, music and drama clubs. This extends their learning. Pupils are keen to make a positive contribution to the local community."

OFSTED 2022

Therefore, we provide a curriculum that challenges students to solve problems, show creativity and resourcefulness, but also to act with integrity and participate actively in our community.

"Trustees, leaders and staff are ambitious for pupils. They have put in place a broad, enriched curriculum, including in the sixth form. The subjects that form the basis of the English Baccalaureate sit at the heart of the curriculum. Curriculum leaders have considered the order in which topics are taught. This ensures that pupils' learning builds logically on what they already know."

OFSTED 2022

Furthermore, we pride ourselves on our digital offer to our students and in being at the forefront of digital development within our curriculum offer. iPads are becoming an integral part of our learning and teaching at our school meaning that we are shaping the future for our children in the digital age. This also means that our staff have access to a wealth of digital training opportunities. In a recent survey one member of staff stated, ***"I love being part of our journey and being part of taking the school to the next stage in it's school improvement."***

Foxford School is fortunate to be part of a successful multi-academy trust with a strong leadership culture for both staff and students. As well as attracting and developing excellent professionals, our school community also has much to share as we collaborate with partner schools realising opportunities to continually learn and grow. Our students will benefit from this outward looking approach through which our own future leaders will no doubt emerge!

Work for Castle Phoenix Trust

What is Castle Phoenix Trust?

The Castle Phoenix Trust is a Multi-Academy Trust which was founded in February 2013 on the success of the Caludon Castle Teaching School (the original Trust member). Currently there are 6 schools within the Trust – Caludon Castle Secondary (Coventry), Kingsbury Secondary (Warwickshire), Hill Farm Primary (Coventry), Foxford Secondary (Coventry), Charter Primary (Coventry) and Richard Lee Primary (Coventry).

Developing Leadership Capacity to Accelerate School Transformation

The Trust specialises in 'Leadership'. Leadership development underpins all of our work. We believe that most school processes - change, talent, teams, engagement, innovation, collaboration – stand or fall on the quality of leadership. All our leaders are unique and there is not an ideal character for leadership.

We want all our leaders to develop emotional intelligence and deepen their knowledge skills and leadership attributes to be effective. We develop leadership capacity at every level, building self-awareness, confidence and initiative; we work with the talent that is in every school for future leadership and we support the development of a leadership culture. This includes developing student leaders.

The best future leaders are probably already in our schools. There is no better way to ensure our Trust stays effective than by challenging, nurturing and enabling our most talented staff.
