This job description is written at a specific time and is subject to change as the demands of the organisation and the role develops. The role requires flexibility and adaptability and the employees of the Group need to be aware that they may be asked to perform tasks and be given responsibilities not detailed on this job description.

Diversity Statement

The Activate Learning Education Trust recognises and values the enriching contribution which people from a range of backgrounds and experiences can bring to the life and development of the Group. We therefore aim to provide an education service which, in its teaching, administration and support services, actively promotes equality of opportunity and freedom from discrimination on grounds of age, cultural background, disability, ethnicity, gender, religion or sexual orientation.

Health & Safety Statement

All employees have a responsibility to promote and maintain a safe and healthy working environment, by taking reasonable care of their own health and safety at work and the well-being of colleagues and students. Line managers have specific responsibility for the health and safety of the team for which they have general management responsibility.

Safeguarding Statement

The Activate Learning Education Trust is committed to the safeguarding and welfare of young people and expects all employees and volunteers to share this commitment.
