To start 1 September 2019

Appointment Brief

# The Preparatory School

Caterham Preparatory School is an IAPS co-educational day school that is an integral part of Caterham School. At the Preparatory School we cater for children from three to eleven years of age. Most of our pupils go on to join our Senior School, which in turn caters for pupils from eleven to eighteen years of age.

Caterham Preparatory School seeks to provide an inspiring education preparing all of our young people for the senior school. We believe that education should challenge pupils to be the best that they can be at all times, to instill in them the habits of learning that will see them succeed in any context, to provide opportunities for pupils to find success and fulfilment through achievement and excellence and to leave them with a love of learning and exploration that will stay with them throughout their lives. Learning to learn is a key facet of a Caterham education and our classroom experience encourages innovation, independence and collaboration. Wellbeing and pastoral care is at the heart of all we do and we firmly believe that children succeed when they feel safe, supported and secure and when their educational journey is built around what is right for each child.

As you will see as you explore our website, we offer a broad selection of subjects and activities. Our pupils benefit from a stimulating, supportive and challenging learning environment. Our commitment to investing in technology that supports the highest standards of teaching, together with our beautiful grounds and buildings, offers our pupils a unique learning experience as they develop through their formative years.
