We take the responsibility of educating our students and supporting them to develop into a well-rounded responsible adult very seriously.

Please do contact us for a visit to the school in advance of applying or in advance of the interviews.

OUR VISION AND VALUES

Our vision is to provide outstanding education for all of our students through engaging and inspiring lessons taught by dedicated subject specialists who have the expertise, facilities and resources to ensure every child achieves their potential.

We believe every student should and can master skills in literacy, numeracy and ICT and that these skills should be embedded across all of their subject areas. In addition, we aim to nurture resilience, integrity and high aspirations in every child, enabling them to confidently make their way in the world. Finally, we strive to provide students with access to unprecedented opportunities, giving them access to a huge range of activities and experiences including a broad enrichment programme and visits in the UK and abroad. The range of visits is growing year on year alongside the development of the 'Ormiston SWB Experience' for all students.

This is an academy where aspirations are raised and lives are transformed. Our core values are based upon;

- **Respect**
- **Ready**
- **Safe**

Staff and students embody these values every day; we are dedicated to creating an inclusive environment with a family atmosphere. Everything we do is driven by our commitment to provide our students with the highest standards of learning and teaching. In return we have very high expectations of student behaviour and their achievements.

At Ormiston SWB Academy we believe in appreciating traditional values and embracing innovation. We believe that with nurture and hard work every child has the potential to succeed.

OUR SPONSOR

Ormiston Academies Trust (OAT)

Our academy is a member of Ormiston Academies Trust (OAT) – a not-for-profit, multi-academy Trust, which sponsors 37 primary and secondary academies across England, delivering high-quality education to 28,000 young people.

Each academy is led and run by the principal and senior leaders and as OAT believes that every academy and community is unique, it does not take a one size fits all approach. It provides a balance of focused support and challenge, a breadth of opportunities, and it enables us to collaborate with academies across the network, to share best practice and to ensure we benefit from the wealth of expertise.

Everyone in the OAT family shares the same vision – to be wholly committed to young people, ensuring that they have access to the highest academic, social and practical skills required to achieve their full potential, whether going on to study at a leading university or entering the world of work. We are all determined to become part of the Trust that makes the biggest difference, both inside and outside the classroom.

The impact is clear – with more than three quarters of the academies being rated 'Good' or 'Outstanding' by Ofsted since joining the Trust. For many years, OAT has successfully raised academic standards, including in disadvantaged communities, and the Trust is committed to ensuring that all children and young people across the academies benefit from the high-quality education being delivered across the network.

OAT has been recognised as one of the top performing education providers in the country by government, placing OAT as the fifth best in England for primary school performance, out of 153 multi-academy trusts.

OAT's strategic direction comes from its Board of Trustees, who have a wealth of experience in the education sector. The Trust is also guided by its founding body, Ormiston Trust, which is a national charity founded by the Murray family in 1969 to improve the life-chances of children and young people so they can fulfil their potential and lead happy and productive lives. The family takes an active role in OAT and every one of its academies.
