## BANNOCKBURN Primary School

September 2017

Dear Applicant,

Thank you for taking the time to find out more about becoming a teacher and SENDCo at Bannockburn Primary School. We are a Centre of Excellence for Inclusion Quality Mark (IQM) and this is an exciting and unique opportunity to join a successful team and make a huge contribution in a growing school community. This information pack is intended to give you a good sense of the role, understand our vision and ambitions for the school.

Bannockburn Primary School is a successful school based in Plumstead. Pupil progress is excellent and standards are above national expectations. Our curriculum provision is innovative and flexible. Pupils are proud of their school and are extremely keen to achieve their best. The ideal candidate will be committed in helping us to continue in providing the best learning experience for all our pupils.

The newly appointed SENCO will work closely with the inclusion team and be based across both our sites. As part of your duties, you will have good opportunities to work in partnership with all our school staff and also outreach workers.

The SENCo will be in a position to contribute to school developments, drawing on their areas of particular expertise. This is a unique opportunity to make a positive difference in a climate of trust and support as well as to benefit from and contribute to professional development.

School visits are warmly welcomed and encouraged. Please contact Miss Leigh Anne Kimmins at [lkimmins@bannockburn.greenwich.sch.uk](mailto:lkimmins@bannockburn.greenwich.sch.uk) to arrange an appointment.
