## Assistant Teacher Vacancy

Dear Applicant

I am delighted that you are interested in the role of Assistant teacher . This is a crucial role and the successful applicant will be joining the Academy at a time of real opportunity. The role of an Assistant teacher is fundamental to the success of all children but more importantly those with special educational needs and disabilities.

At Co op Academy, Stoke on Trent, we pride ourselves on delivering an ambitious, broad and balanced curriculum, enabling every student to be successful, responsible, resilient, confident and skilled regardless of their background or ability.

As well as academic excellence, we encourage pride, respect and commitment, which have become a mantra throughout our academy. Thanks to our high standards of behaviour teachers are free to teach, and students can develop a lifelong love of learning in a caring supportive environment. At the heart of everything we do is a desire to create learners who are articulate, creative, resourceful and independent with a strong moral purpose. We aim to cultivate independent learners who make connections, who strive for academic success and for personal achievement.

We are looking for ambitious, experienced, committed and dynamic individuals to join our team. You must believe passionately in making a difference to the life of every student.

We are an Academy that believes very much in the importance of professional development and the successful candidate will be afforded the opportunity to grow in the role. Equally, we're not an Academy that embraces fads and gimmicks; we're committed to the wellbeing of everyone who works here and that includes really thinking about what we do and why we do it.

If you would like to find out more information about the job, please contact Mrs Diane Drew at the Academy.

To apply for the role please submit a letter of application - no more than two sides of A4, size 11 pt Tahoma - and the Coop Academies Trust application forms.

Mr S Richardson  
Headteacher
