

Principals' Welcome

It is a pleasure as Joint Principals of **Minsthorpe Community College** to welcome you to our college.

We feel proud and privileged to be entrusted with the shared responsibility for the welfare and education of your children. We have served as teachers and leaders together at the College for more than twenty years and are passionate about providing the young people of the South Kirkby, South Elmsall, Upton and surrounding areas with enriching educational opportunities and an engaging curriculum, which promotes lifelong learning. We know the college well and aim to build on its many strengths. Experience tells us that children learn best in a calm, orderly and safe environment and, as Principals, we intend to maintain the high expectations and quality learning, teaching and behaviour established over many years, which consistently lead to great outcomes for our students.

In May 2018 Ofsted confirmed that Minsthorpe remains a 'good' College and we are delighted that our numbers at Year 7 and Post 16 continue to grow. We have a well-established ethos of care and support, our students and staff enjoy working together as 'Team Minsthorpe' and everyone is committed to 'Learning and Behaving the Minsthorpe Way', because we know this will deliver the best education for the young people.

We cannot achieve this alone and we firmly believe in a strong partnership between the college and everyone within our community and express this in our College vision:

Minsthorpe Community College: A place where everyone plays a part in strengthening our learning community through motivation, commitment and care.

This prospectus aims to introduce our College, but there can be no substitute for a personal visit. We would be delighted to speak to you at our Open Evening or during the normal college day. Please contact us for a visit.
