## **Company outline:**

Dv8 Sussex specialises in delivering innovative training for young people in creativity and media, all taught by industry professionals and designed to provide a real experience of working in a creative environment. We recognise the strengths of learning through doing something that is challenging, inspiring and fun.

We are seeking an experienced Media teacher to support our students in small group sessions at our Brighton centre. We are looking for teachers, educated to degree level in a digital media area (or closely related subjects) and/or with substantial relevant industry experience to deliver and assess on Level 2 & 3 Creative Digital Media programmes.

Dv8 has recently been acquired by the London Learning Consortium and all colleagues have access to a wide range of opportunities across the south east. We are an equal opportunities employer and positively welcomes applications from all sections of the community. We are committed to safeguarding all learners enrolled on our programmes and appointment of successful applicants will be subject to satisfactory references being obtained, and an enhanced disclosure and barring service (DBS) check.

## **Role Overview:**

Alongside delivering a high standard of learning, teaching and assessment in the Media department, remission time is given for the Curriculum Quality Lead (CQL) role which is key to ensuring the continued development and improvement of DV8's curriculum, whilst upholding the assessment quality process across DV8.
